No. 59. Read the following Proceedings of the Board of Revenue, dated 21st November 1865, No. 7,477 :—

Read the following letter from the Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 31st October 1865, No. 298.

1. Adverting to my letter to you, dated 23rd October 1865, No. 286, I have the honor to request that the Board will, as requested in the Civil Judge's letter to me, dated 27th October 1865, No. 310, be so good as to obtain the sanction of Government for remitting to him Rupees 62,736-0-4, being the amount of mesne profits determined upon by the Court.

2. Copy of a revised Statement of mesne profits sent to me by the Civil Judge is enclosed.

3. From the Abstract Statement which accompanied my letter, No. 56, dated 18th February last, the Board will perceive that a fee of Rupees 250 has been paid by the Plaintiff to her Vakeel for presentation of an application for enforcement of the Decree. The Government Vakeel of this station solicits payment, to him, of a similar fee for having pleaded and argued on behalf of Government at the hearing held before the Civil Judge on my application to him raising the question of the mesne profits for his consideration. He is, in my opinion, entitled to the fee, and if the Board agree with me, I request their sanction for the payment of the sum of Rupees 250.

4. The assets of the Erasakanaickenur Polliem have been already given in the Statement No. II., forwarded to the Board with my letter, No. 114, dated 27th April 1865.

Revised Statement of mesne profits of Erasakanaickenur Zemindary.

1. The Board observe that the new adjustment made by the Civil Court awards interest at five per cent. only on the mesne profits of Fuslies 1268, 1266, 1267, and subsequent years. They would, therefore, suggest to the Collector that application be made for a similar adjustment in regard to the mesne profits of Fuslies 1263 and 1264.

2. The Court apparently applied to the Collector for the full amount of the profits of these two latter years with interest *at twelve per cent.*, and the payment of this amount has been made, but the more recent Order will probably be held to be applicable to all the mesne profits, which would considerably reduce the additional payment now about to be made.

3. As to the amount collected from the property during the past Fusly, the Collector should be guided by the Board's instructions, as conveyed in paragraph 4 of their Proceedings, under date 24th August 1865, No. 5,167.

4. As to the fee to be paid to the Government Pleader, the Collector will report what fees have usually been paid to that functionary for similar cases.

No. 60. ORDER THEREON, 12th December 1865, No. 3,008.

Miscellaneous.

Ordered to lie over till the receipt of the further information called for from the Collector. The Board will instruct him to give his immediate attention to the subject, and to procure the early orders of the Court on the subject of paragraph 1 of the Board's Proceedings.
