Proceedings of the Madras Government, Public Department, 1st December 1865.

No. 1. Read the following letter from the Municipal Commissioners for the Town of Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd November 1865.

With reference to the introduction of the tax on trades, professions, and callings, sanctioned by Government on the 15th instant, Mr. Morison, our Assessor and Collector, has represented to us that it would assist him materially, in framing his lists under Sections 43 to 47 of Act IX of 1865, if we obtained the sanction of the Government for the following measures:—

1. To permit Mr. Morison to inspect the records of the Income Tax Department, with a view to his obtaining merely the names and addresses of the late Income Tax rate-payers. As Mr. Morison was employed as Assessor in the Income Tax Commission, this permission will cause no breach of official secrecy.

2. To authorize the Collector of Madras to place at Mr. Morison's disposal the records of the Government License Tax, which was worked by the Deputy Collector of Madras under the supervision of Mr. Ellis.

3. To instruct all Heads of Departments to furnish us, on application, with lists of the employés in their offices, drawing a salary of Rupees 50 per mensem and upwards.

No. 2. ORDER THEREON, 1st December 1865, No. 1239.

The Governor in Council sanctions the second and third of the proposals made in the foregoing letter. The names and addresses of the late Income Tax rate-payers will be furnished to Mr. Morison by the Officer in charge of the Income Tax Records.
