Dated 16 . 12 . 1865.

Not to be folded or roughly handled

No. 96. Read the following copy of a letter from the Accountant General to the Government of Madras, to all Collectors, dated Fort Saint George, 1st December 1865, No. 3,512 :—

1. I have the honor to forward herewith the Result Statement on your Treasury Account for October last, and to observe that its preparation does not reflect much credit upon your Account Department. Many of the mistakes and omissions in it are such as might have been avoided by ordinary attention on the part of the head of that Department.

2. It is hardly necessary for me to remark, that the ability of this Office to comply with the requisitions of the Supreme Government depends upon the promptitude and accuracy with which the District accounts are rendered to it, and I have therefore to request the attention of yourself, and your Deputy in charge of the Department in particular, to the requirements of this Department.

3. Much delay also frequently occurs in the return of the Result Statements which cause great inconvenience. Under the recent rulings of the Government of India, I am required to send up my monthly accounts to the Comptroller General at Calcutta at a much earlier date, and in much greater detail than hitherto, and I shall not be able to carry out this requisition unless the Treasury Officers in general render more assistance to this Department by taking a greater interest in their work.

No. 97. ORDER THEREON, 14th December 1865, No. 3,028.

Miscellaneous.

The Government desire that the Board of Revenue will ascertain from the Accountant General the names of the Treasury Officers in fault, and adopt measures to ensure the due fulfilment of their duties by these Officers.
