No. 102. Read the following Proceedings of the Board of Revenue, dated 1st December 1865, No. 7,681.

Read the following papers:—

Board's Proceedings, dated 3rd August 1865, No. 4,265, and 6th October 1865, No. 6,293.

From the Collector of Tinnevelly, to the Acting Secretary to the Board of Revenue, dated 28th October 1865, No. 405:—

In reply to paragraph 2 of the Proceedings of the Board of Revenue, under date the 6th October 1865, No. 6,293, I have the honor to state that *Oothumanally* Rowther, the last holder of the Yeomiah in question, was the son of *Shaik* Rowther referred to in Extract from Minutes of Consultation, dated 24th June and 21st October 1851, and the Yeomiah was continued to him under the Orders of Government, dated 20th June 1862, No. 1,358.

---

1. These papers relate to a religious service Yeomiah, amounting to Rupees 89-1-5 per annum, which was originally granted by Ethbar Khan out of the Tinnevelly Chuttrum Fund. It was continued to Shaik Rowther, agreeably to paragraph 6 of Extract from Minutes of Consultation, dated 24th June 1851, No. 621, and paragraph 2 of Extract from Minutes of Consultation, dated 21st October 1851, No. 1,043, and subsequently to Oothoomanali Rowther in Government Order, dated 20th June 1862, No. 1,358, and who died on the 7th July 1863. The object of the grant is stated to be still maintained by the present claimant, Ismanally Rowther.

Government Orders, No. 1,719, dated 27th August 1861, and No. 124, dated 21st January 1864.—*Vide* Board's Standing Circulars, dated 3rd September 1861, No. 4,762, and No. XII., dated 4th February 1864.

2. Under the authority conveyed in the Government Orders noted in the margin, the Board authorize the registry of the allowance in the name of Ismanally Rowther; and resolve to forward these Proceedings for the confirmation of Government with the recommendation, that the payment of the arrears, also, from 1st July 1863 may be sanctioned to the present nominee, subject to the audit of the Accountant General.

3. The Board observe that the Collector's first report in this case is dated 10th February 1864; but the statement in which the lapse was included had to be returned twice to the Collector for revision, and the case itself having been omitted (contrary to the Board's intention) in the last revised statement furnished by the Collector at the time, the fact of such omission escaped the Board's notice until June 1865, when the Collector's report on a petition from Ismanally Rowther caused a revival of the subject. A fresh tabular statement was thereupon furnished by the Collector, and upon this return, the present Proceedings are held.

4. There was a delay of about seven months between the date of the demise of the last holder and that of the Collector's first report, but the recent Order of Government, dated 17th October 1865, No, 2,523, on which the Board's Standing

Circular, No. LXXXIV., was issued, will, it is hoped, prevent a re-occurrence o those delays in the settlement of Yeomiah cases, which have lately been on severa occasions animadverted upon both by Government and the Board.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 3rd August 1865.

Read the following Tabular Report from A. WEDDERBURN, Esq., Collector of Tinnevelly, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Nannagaram near Tenkasy, 12th July 1865, No. 275, of lapsed Yeomiahs in the District of Tinnevelly, called for by the Board in their Proceedings, dated 19th June 1865, No. 3,330:—

Case number.	Taluk and village. Extent and value of the entire Inam.	When and by whom granted. Names of the original grantee. Sunnuds or other documents in support of the grant.	Nature of the grant, charity or service; if service, nature of the duty prescribed by the grant.	Name of the last holder. Date of his decease, and the relationship in which he stood to the original grantee.	Share enjoyed by the deceased, and that held by the other members.	Family left by the deceased, and name and age of the parties, their circumstances, and the means of subsistence possessed by them.	Recommendation of the Collector, and the grounds on which it is made.	Remarks of the Board of Revenue.	Decision of Government.
2	Huzur Treasury, Tinnevelly, Rupees 89-1-5 per annum.	This Yeomiah was originally granted to Ismal Rowther by Ethbar Khan out of the Chuttrum Fund. There is no document in support of it. In Mr. Cotton's Register of Chuttrum Yeomiahs dated Fasli 1228, this grant stands entered in No. 36, in the name of Oosmanallyar. He died in 1845, and the allowance was registered in the name of his son Shaik Rowther, and continued to him under the sanction contained in Extract from Minutes of Consultation, dated 24th June 1851, prefixed to the Board's Proceedings of the 7th July following.	In Mr. Cotton's Register referred to in the preceding column, this Yeomiah is stated to have been granted for lighting lamps in the Ismal Rowther's Mosque at Pettah in the Tinnevelly Taluk.	Oothumanally Rowther, the great grandson of the original grantee, died on the 7th July 1863.	The deceased was in the enjoyment of the entire Inam.	Ismanally Rowthen, 1st brother of the deceased, aged seventeen years. Muthalumirah, 2nd do. of the do. Sooloothan, 3rd do. of the do. Shaik Rowthen, 4th do. of the do. Ava Bibi, widow of the do., aged forty years, and child named Shaik Rowthen. These individuals possess no other means of subsistence except the Yeomiah.	This allowance was granted out of the Chuttrum Fund. The Chuttrum was under the control of the heirs of Ethbar Khan the original grantor, up to Fasli 1215. In Fasli 1216, it was taken under Circar management, and circumstances connected with its origin, &c., having formed the subject of a long correspondence between the Collector, Board, and Government, it was finally disposed of by Government in Extract from Minutes of Consultation, dated 24th June 1851, No. 621, prefixed to the Board's Proceedings of 7th July following. The allowance in question is that entered in No. 36 of List No. 1 transmitted to the Civil Auditor under Extract from Minutes of Consultation, dated 21st October 1851, No. 1,043, prefixed to the Board's Proceedings of the 27th idem. Under these circumstances, and as the service prescribed by the grant is reported to have been duly kept up by the brother of the deceased incumbent (since his demise) mentioned in column 7, it is recommended that the allowance may be sanctioned to be continued in his name with payment of arrears due to him from the date from which the deceased holder ceased to draw the same. The arrears actually due up to 31st May 1865, amount to Rupees 170-12-1.		

ENCLOSURE No. 1.—Petition.

The Collector will be good enough to state whether or not there are any objections to the registry of the Yeomiah in the name of Shaik Rowthen (son of deceased) whose age should be stated. The service, of course, may continue to be performed by one of the brothers of the deceased.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 6th October 1865.

Read Board's Proceedings, No. 4,625, dated 3rd August 1865.

Read also the following letter from A. WEDDERBURN, Esq., Collector of Tinnevelly, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Tenkasy, 25th August 1865, No. 330:—

1. In reply to the Proceedings of the Board of Revenue, dated 3rd August 1865, No. 4,625, I have the honor to state, for the information of the Board, that from a deposition given by the first brother of the deceased Yeomiahdar therein referred to, before the Deputy Collector in charge of the Treasury under date the 16th August 1865, it appears that Shaik Rowten, the son of the deceased, aged one year and six months, died on the 1st August 1864, or six months after the despatch* of the first Tabular Statement to the Board of Revenue.

* 10th February 1864.

2. Ismaiall Rowten, the brother of deceased, might be registered as the holder of the Inam.

---

1. The Yeomiah referred to in the foregoing papers is a religious service grant originally made by Ethbar Khan out of the Tinnevelly Chuttram Fund. Its continuance to Shaik Rowter was sanctioned [illegible] paragraph 6 of Extract from Minutes of Consultation, dated 24th June 1851, No. 621, and paragraph 2 of Extract from Minutes of Consultation, dated 21st October 1851, No. 1,035, on the condition that it as well as other similar allowances, sanctioned at the same time, "should be [illegible] the subject of report on the occurrence of lapses."

2. The name of the individual whose death is now reported is given as "Oothumanally Rowter" in the fifth column of the Collector's Tabular Report contained in the Board's Proceedings above read, and it is probable that Shaik Rowter and Oothumanally Rowter are one and the same individual, but to remove all doubt on this point, the Collector's attention is requested to this discrepancy in names, and he will submit his report without further loss of time, as more than two years have already elapsed since the death of the last registered incumbent.
