1. RESOLUTION.—The Forest Budget-Estimates for 1865-66, were received in the form prescribed from the Madras and Bombay Presidencies and from all other Provinces and Administrations. That of the Straits Settlements was submitted blank to this Department.

2. For the general supervision of the Forest Department by the Government of India, a provision of Rupees 34,600 has been made, including this amount, and supplying the omission in the Straits Estimates from the data furnished by the Financial Department, the Estimate as sanctioned for the year 1865-66 stands as follows :—

*Proceedings of the Madras Government, Revenue Department,
21st December 1865.*

3. The revenue derived from Forests was separated from Sayer and Miscellaneous Receipts for the first time in 1863-64. In that year the gross revenue was Rupees 30,44,430, and the gross revenue for 1864-65 according to the Regular Estimate is Rupees 35,61,300. For the current year it is estimated at Rupees 38,30,000. Thus each year shews a progressive increase. The net revenue for the three years is—

	RS.
1863-64 Actuals	11,39,490
1864-65 Regular Estimates	14,08,203
1865-66 Budget	13,09,500

4. The Governor General in Council observes that great inconvenience has again been felt this year, because Local Governments have not adhered to the date fixed for the submission of the Budget-Estimates. That from the Government of Bombay was received at Simla on the 20th April, unaccompanied by any of the prescribed statements, and it had in consequence been necessary to pass orders, fixing, in a purely arbitrary manner, the receipts and charges for the year on aggregate figures received by telegraph.

5. The rules prescribed in the Resolution of this Department No. 167F, dated the 31st August 1864, and approved in Financial Department Resolution No. 2,331, dated the 15th September 1864, *vide* Circular No. 13F, dated 21st September 1864, should be strictly observed in the submission of the Forest Budget-Estimates for 1866-67, and care should be taken not to submit any statements not prescribed, or to enter detail which is not required by these orders. At the same time, the statements that are prescribed should be submitted without fail. The Governor General in Council trusts that the estimates now nearly due will be submitted with punctuality and completeness.

ORDER.—Ordered, that a copy of the foregoing Resolution, together with a collection of the detailed orders on the separate Provincial Budget-Estimates of the current year, be forwarded to the several Local Governments and Administrations, for information and guidance.

Ordered also, that copy be forwarded to the Financial Department for information.
