Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 18th November 1865, No. 291 :—

With reference to my letter to the Board, dated 29th June 1865, No. 125, I have the honor to state that the Acting Sub-Collector reports that the experimental cultivation of Oopum Cotton seed was carried on in different villages of the Tanuku Talook in the Sub-Division, but the result proved unsatisfactory. The seed had failed to germinate in some places, and though it germinated in others, the plants perished shortly afterwards.

Submitted for the information of Government, in continuation of the Board's Proceedings, dated 22nd July 1865, No. 4,269.
