*Proceedings of the Madras Government, Revenue Department,
21st December 1865.*

No. 219. Read the following Proceedings of the Board of Revenue, dated 9th December 1865, No. 7,894.

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 14th November 1865, No. 244 :—

1. The Board are aware that a collection of articles, for the Paris Exhibition of 1867, is about being made.

2. From conversation with many, both European and Native, I am strongly inclined to believe that a successful local Exhibition might be held at Calicut; the articles intended to be sent on to the Paris Exhibition being exhibited; and prizes being awarded not only for such articles, but for live-stock bred, or kept for a certain time previous to the Exhibition, in the District, and for other staple products of the Western Coast.

* Dated 6th May 1857, No. 63.
Dated 5th April 1859, „ 65.
Vide Selections from the Records of the Madras Government, Nos. XLV. and LXI.

3. The former reports* will give an idea of the shape the proposed Exhibition would assume, but I would give a more prominent place to live-stock, and to the Exhibition of improved

machinery. The main lines of communication in the District have greatly improved since the last Exhibition. The Railway has been opened, there has been considerable material progress, and I consider there are valid grounds for anticipating that an Exhibition would find more general support now than before.

That, if successful at all, its effects would be beneficial, there can be no doubt.

4. I would, therefore, request sanction for a sum of Rupees 5,000 towards the purposes of a local Exhibition at Calicut about the end of 1866, or beginning of 1867.

If the Board are pleased to support the proposition, and Government to sanction the outlay, I will at once take steps for the organization of Committees, and publication of the necessary notices, and will submit any further particulars that the Board may wish to have laid before them.

1. The Collector's proposal commends itself to the Board, and the sanction of Government will be requested to an Exhibition being held at Calicut in the month of December 1866. The Board consider the outlay proposed for prizes (Rupees 5,000) to be moderate.

2. The last Exhibition, held at Calicut some seven years ago, was not successful, but the District has doubtless advanced in material prosperity since that period.

3. Should Government be pleased to accord their sanction to Mr. Ballard's proposal, he will submit detailed lists for the Board's approval, shewing the number and amount of prizes to be awarded in the several departments of the Exhibition.

No. 220. ORDER THEREON, 21st December 1865, No. 3,093.

Miscellaneous.

The Collector's proposal supported by the Board, for an Exhibition at Calicut, is approved.
