*Proceedings of the Madras Government, Revenue Department,

No. 226. Proceedings of the Board of Revenue, dated 19th December 1865.

Read Endorsement of Government in the Revenue Department, on letter from Superintending Engineer, 7th Division, to Secretary to Government, Department of Public Works, dated 4th December 1865, No. 197.

The Board consider it desirable that provision should be made for these works in the Budget now under preparation in the Department of Public Works, as even in the event of the introduction of the Excise, it will be very necessary to have ample storage available which may be rented out by Government to manufacturers or importers on private account. Meanwhile the stores are required by Government.
