THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

Forests, No. 10.

* Dated 18th November 1865, No. 1,504, in
G. O. 23rd idem, No. 2,875.

1. In continuation of my letter dated 18th December 1865, No. 3,051, I am directed to forward, for submission to the Government of India, the accompanying application* from the Conservator of Forests for further charges in connection with the Establishment of the South Canara Range, viz. :—

One additional third Class Overseer, at Rupees 60, and Travelling allowance at Rupees 15 per mensem.

Travelling allowance to the three other Overseers now attached to the Range, at Rupees 15 each per mensem.

2. The services of the additional Overseer, as stated in the Statement forwarded with my letter marginally† noted, are urgently required for the supervision of the Cundapoor Talook, where timber

is in much demand on account of the increase of boat and ship-building. "Near this sea-port," the Conservator observes, "five streams converge, and afford remarkable facilities for water carriage from the adjoining forests;" and it is proposed, he adds, to bring down Poon spars and other valuable woods.

3. As to the second item, viz., Travelling allowance to the three other Overseers now attached to the Range, the Conservator remarks that the duties of those Overseers have greatly increased, and involve much travelling.

4. The net revenue of the Range during last year amounted to more than Rupees 5,000, while a large stock of valuable timber was stored during the year.

5. Under the explanation now furnished, I am directed to solicit the sanction of the Government of India to the charges above specified, which are to have effect from 1st May 1866.

6. The prescribed Tabular Statement is enclosed.

I have the honor to be,

Sir,

Your most obedient servant,
