*Proceedings of the Madras Government, Revenue Department,
16th February 1865.*

No. 322.

Dated 16th February 1865, No. 338.

Miscellaneous.

1. The Governor in Council has reason to believe that Junior Civil Servants frequently do not provide themselves with tents, for lengthened period after their appointment as Assistant Collectors and Magistrates. The want of tents materially reduces an Assistant's efficiency and usefulness, and the Governor in Council therefore directs that every Assistant shall, within three months of his appointment, provide himself with at least three tents, viz., a single-poled tent, not less than fourteen feet square; a Bechoha, not less than ten feet square, and an ordinary baggage tent.

2. If in any case an Assistant does not possess the requisite funds, the Government will, on the recommendation of the Board of Revenue, sanction an advance of such a sum as may be required for the purchase of a set of tents as above prescribed, to be re-paid by stoppage of the Assistant's fixed tentage—the tents being of course considered the property of Government till paid for.

3. The Board will give effect to these orders without delay, and they will also instruct Collectors to report to them whenever an Assistant fails to procure or keep up the minimum equipment now ordered.

4. The Board will also take care that all Revenue Officers keep up a sufficient equipment of tents for the proper discharge of their duties.

Proceedings of the Madras Government

Under date No. 16 February 1865.

The Govt

of their ~~employment~~
as Assistant Collectors and

that every Assistant shall -
within 3 months of his
appointment, provide himself
with at least three Tents,
viz: a single poled Tent, not
less than 14 feet square, an
Abochaba not less than 10 feet
square - and an ordinary

If in any case an
Assistant does not possess
sufficient funds, then
on the recommendation of the Board
of Revenue, sanction an ad-

being of course considered
the

the property of Government
till paid for.

The Board will give
