*Proceedings of the Madras Government, Revenue Department,
17th February 1865.*

Read again the Proceedings of the Board of Revenue, recorded in G. O., 5th January 1865, No. 15.

No. 353. Read also the following letter from J. D. ROBINSON, Esq., Collector of North Arcot, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Wallajapet, 4th February 1865, No. 4:—

SIR,

1. I have the honor, with reference to the Order of Government, dated 5th ultimo, No. 15, Revenue Department, to forward copy of a letter* received from the Acting Sub-Collector,

* Dated 18th January 1865, No. 20.

Mr. Barlow, furnishing the information required by Government, regarding the old Hill Fort near Vellore now owned by Doctor Sayers.

From R. W. BARLOW, Esq., Acting Sub-Collector of North Arcot, to J. D. ROBINSON, Esq., Collector of North Arcot, dated Kovilampundi, 18th January 1865, No. 20.

SIR,

1. In reply to your letter, No. 14, dated the 10th instant, forwarding Proceedings of Government, Revenue Department, No. 15, dated 15th January 1865, I have the honor to report that the old fort in question stands on a barren rugged hill, about 750 feet in height, overhanging Vellore; the land inside the fort had been immemorial waste, until Fusly 1261, when the Puttah was made out in the names of Mr. Sullivan, c. s., and Lieutenant (now Major) Young of the Commissariat. The object of these gentlemen in obtaining a puttah was to construct a small house there as a sort of sanatorium. In 1863 these gentlemen gave a Razinamah in favor of the Reverend Doctor Sayers, who now wishes to have the benefit of the Rules for the redemption of the Land Revenue.

2. The hill is within the boundary of the village Palamadi; the lowest assessed dry land in this village is class 34, i. e., 6 Annas per Cawny; and the land was classed at this lowest rate by Mr. Sullivan, then Sub-Collector, and very properly so classed I consider, considering the nature of the soil and the difficulty of access to this hill, every thing having to be carried up and down by coolies, unless the proprietor likes to go to the expense of keeping a ghat up in repair.

3. The land within the fort was entered in the accounts as Cawnies 6-0-4, and the annua assessment fixed at Rupees 2-4-1; but the amount of redemption money was calculated by Mr. Hathaway on an accurate survey of the land which gave an extent of 6½ Acres.

Ordered that the Title Deeds received be sealed and returned accordingly.
