*Proceedings of the Madras Government, Public Works Department,
20th January 1865.*

No. 393. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 9th January 1865, No. 1,417 :—

SIR,

Enclosure 1.

1. Adverting to G. O. No. 3,587 of 15th ultimo, I have the honor to forward copy of a letter which I have received from the Collector of Godavery.

2. I believe the Collector is mistaken in supposing that the order he quotes has reference to Military buildings.

3. The Sapper buildings at Dowlaishweram are not required by this Department, but I think it would be bad policy to pull them down, or to give them up to be demolished and sold for the benefit of the Local Funds of the District.

4. The buildings are in very good order, well built, and in a very good situation, elevated and open to the sea breeze, and they may probably be found of use as a sanitarium for sick and convalescent men from Secunderabad.

From J. FRASER, Esq., Officiating Collector, Godavery District, to Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, dated Cocanada, 23rd December 1864, No. 182.

SIR,

• Dated 17th October 1864, No. 2,733, (to be returned.) 1. With reference to the enclosed letter* from the Deputy Auditor, and Accountant General, I have the honor to inform you that there are Military buildings at Ellore and Dowlaishweram which are not required to be used for Government purposes. I request that you will inform me if any of the buildings in those places are required for the use of your Department.

2. I shall be obliged by your favoring me with a Memorandum shewing the present estimated value of the above buildings, as well as of those which you may consider not likely to be required for Government purposes any where else in this District.

No. 394. ORDER THEREON, 20th January 1865, No. 188.

Communicated to the Military Department, with reference to the Orders in that Department, No. 4,362, dated 7th December 1864.

In returning your endorsement, dated 21st ultimo, I have the honor to state that the public buildings in question about to be vacated by the Corps of Sappers and Miners at Dowlaishweram will not answer the purposes of this Department, as none of them is so favorably situated as the one in which the Post Office is now held.
