87-89

Dated

11-1-1865.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Revenue Department,
11th January 1865.*

Read the following:—

No. 87. Proceedings of the Board of Revenue, dated 9th December 1864, No. 7,891.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 14th November 1864, No. 230.

1. I have the honor to report for the information of the Board on the result of the experimental Cotton cultivation carried out in this District in Fusly 1273 in the manner suggested in His Excellency the Governor's Minute, dated 29th October 1861, No. 2,069, communicated in the Board's Proceedings No. 5,995 of the 1st November following.

2. Seven of the Ryots enumerated in the list forwarded with my letter of the 8th August 1862, No. 161, undertook the cultivation of Cotton in the past Fusly with the best Native Cotton seed. A statement illustrative of the area appropriated for this cultivation, the cost incurred, the quantity of produce gathered, and the net profit derived by each individual, is submitted for the Board's information.

3. The aggregate assessment on the several pieces of land amounting to 120 Acres is Rupees 122-7-6, of which Rupees 107-1-2 only were remitted during the Fusly. From want of rain, the produce was generally scanty.

4. Cartavala Shuckaray Manrady of Paliacotay in Dharapooram Talook, undertook the cultivation in November 1863, or after the season had passed; consequently the crop was far below an average one. He lost by the experiment Rupees 56-14-4, and as the assessment on his land was not, through inadvertence on the part of the Sub-Collector, remitted, I request the Board of Revenue will be good enough to obtain sanction to refund it to him.

5. Two other Ryots named Carooppa Gounden Moniagar of Perindoray, and Chinnatambi Gounden of Vaniputtoor in Sattimungalam Talook, made no attempt to cultivate Cotton.

6. Mr. Stane's crop failed, the soil chosen by him is unsuited for the cultivation of Cotton. The assessment Rupees 13-10-8 on the 10½ Acres of land granted to him, was remitted.

7. Cartavala Shuckaray Manrady referred to in paragraph 4, represents that he did not undertake the experiment at Perindoray, as he was fully engaged in the cultivation of the land assigned to him in Dharapooram Talook.

Sent in a separate packet.

8. Specimens of Cotton furnished by the several parties are herewith submitted for the Board's inspection.

Committee

ENCLOSURE No. 1.
Statement shewing the names of Ryots, and the extent and assessment of the lands cultivated by them with Cotton in the manner suggested in His Excellency the Governor's Minute, communicated in the Government Proceedings of the 29th October 1861, Fusly 1273, in the Coimbatore District.

COIMBATORE, 14th November 1864.

(Signed) P. GRANT, Collector.

1. Ordered to be submitted for the information of Government.
2. The Board sanction the refund of Rupees 15-6-4 inadvertently collected and carried to account.
3. The Board observe that the net profit was about Rupees 10 per Acre, the assessment remitted about 1 Rupee per acre, the cost of cultivation about Rupees 5½, and the average produce about 4½ Maunds of Seed Cotton per acre, or about 112 lbs.

No. 88. Proceedings of the Board of Revenue, dated 12th December 1861, No. 7,954.

Read the following Proceedings of the Madras Government, dated 2nd July 1864, No. 1,140, Revenue Department.

ABSTRACT.—Calling for a revised Statement shewing the extent of land assigned for Cotton cultivation under the provisions of Government Order, 29th October 1861, No. 2,069.

1. Resolved that the revised Statement of land assigned for Cotton cultivation under the terms of Government Proceedings 29th October 1861, No. 2,069, be forwarded to Government together with the original Statement which was returned with the Government Order.
2. The alteration in the assessment entry for the Madura District is owing to the spot originally taken up having been changed for another of equal extent. The amount of assessment for the Tinnevely District is given in gross, as the proportion remitted to each individual cultivator cannot be ascertained from the Collector's letter.
3. The land applied for in Salem has not been taken up for cultivation, as it appears that the applicant, Mr. Addis, has left the District altogether. The item has, therefore, been excluded from the revised Statement.

4 *Proceedings of the Madras Government, Revenue Department,*
11th January 1865.

Statement shewing the extent of land assigned for Cotton cultivation under the provisions of Government Proceedings, dated 29th October 1861, Revenue Department, No. 2,069.

requested carefully to revise the entries in the General Statement for Coimbatore and the other Districts, and forward an amended Return, in which they will be good enough to insert in each instance similar particulars as those given in the last five columns of the Statement of 14th November 1864, as also the period in which the experimental cultivation was in each case carried out. The Board will also procure and forward small samples of the Cotton grown by each of the cultivators in question, similar to those furnished by seven of the Ryots in the Coimbatore District and submitted with their Proceedings of 9th December above recorded.

Secretary to Government.

To the Board of Revenue.

No. 89.

ORDER THEREON, 11th January 1865, No. 38.

Miscellaneous.

1. The Government observe that the entries for Coimbatore in the Statement submitted with the second of the papers do not, in some particulars, correspond with those in the Statement forwarded with the first paper. The former gives the total amount of annual assessment remitted as Rupees 223 on Acres 190, and the latter as Rupees 136 for Fusly 1273 on Acres 130; the number of cultivators, it is also observed, is given in the one Statement as 11, and in the other as 8. The Board's attention will be called to these discrepancies, and they will be
