22nd February 1865.*

No. 432. Read the following Memorandum from the Secretary to Government, Public Works Department, to the Chief Secretary to Government, dated Chepauk, 7th February 1865, No. 12:—

With reference to the Chief Secretary's Endorsement on the accompanying letter from the Deputy Auditor and Accountant General, the undersigned has the honor to state that, as the Public Works Budget for 1865-66 has been closed, a special application should be made to the Government of India for an additional grant of Rupees 18,770 for the maintenance of public Bungalows during the ensuing year.

(Signed) CHARLES A. ORR, Colonel, R. E.,  
Secretary to Government.

From F. LUSHINGTON, Esq., Deputy Auditor and Accountant General, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, dated Fort Saint George, 1st February 1865, No. 188.

SIR,

Referring to paragraph 30 of the Proceedings of Government in the Revenue Department, No. 104, dated the 24th ultimo, I have the honor to enclose a copy of Financial Resolution of the Government of India, No. 170, dated the 17th idem, and to request that, as under these Orders, the Section E will not appear in the Civil Budget Estimates for 1865-66, the Secretary to Government in the Public Works Department be requested to include in the Public Works' Budget the grant-in-aid to the Travellers' Bungalow Fund, viz., Rupees 18,770.

Forwarded to the Public Works Department, in view to the grant-in-aid to the Travellers' Bungalow Fund being included in the Public Works Budget.

(Signed) A. J. ARBUTHNOT,  
Chief Secretary.

**Local Funds.**

ORDER THEREON, 22nd February 1865, No. 394.

1. In their Resolution of the 5th November 1863, No. 5,431, the Supreme Government decided that, from the 1st May 1864, Travellers' Bungalows should be dealt with as a separate head under "Local Funds."
2. The Government pointed out that the income from fees was not sufficient to cover the expenses of the Bungalow Establishments, while there were no Local Funds which could with propriety be applied to the payment of these establishments, and they requested a grant-in-aid of the Local Funds until the Bungalows should become self-supporting.
3. The Government of India in their letter, dated 28th January 1864, accordingly sanctioned a grant-in-aid of Rupees 18,770, which they directed to "be added to the Public Works assignment for 1864-65." In a later letter they sanctioned a further grant of Rupees 9,860 on account of Native Choultries, adding that this grant would be "a charge against Imperial Revenue and not transferred to Local Funds as a grant-in-aid, as will be the grant for Public Bungalows."
4. It is clear from the above quotations that the Bungalow grant is not to be a charge on the Public Works assignment. The course suggested by the Deputy Auditor and Accountant General would, however, have the effect of making it a charge on this assignment.
5. The Resolution of the Government of India, dated 17th January 1865, on which Mr. Lushington bases his recommendation, seems to apply solely to building grants, while that under consideration is not for buildings but establishments. Moreover, the object of the Resolution seems to be, to prevent even such building grants from appearing in the Public Works estimates and accounts, and so forming a charge against the Public Works allotment. This object, as already remarked, would be frustrated, if Government directed the grant-in-aid to the Bungalow Fund to be included in the Public Works Budget.
6. The Government will now apply to the Supreme Government for the grant being made under F. IX Miscellaneous, with the distinctive heading "Grant-in-aid of Bungalow Fund."

Proceedings of the Madras Government  
under date the 22<sup>nd</sup> February 1865.

Read the following Memo:  
from the Secy to Govt in the P.W.  
Deptt. -

Requests, as the P. Works  
Budget has been closed, that an  
application be made to the Govt of  
India for a special grant (Rs. 18,770)  
to maintain the Travellers Bungalows  
in the Presidency <sup>during</sup> the ensuing year.

(Here enters 7<sup>th</sup> Feb 1865 N: 12)

1. In their resolution of the  
5<sup>th</sup> Nov. 1863 N: 5,131, the Su-  
-preme Govt decided that from  
the 1<sup>st</sup> May 1864, Travellers Bun-  
-galows should be dealt with  
as a separate head under  
"Local Funds."

2. The Govt pointed  
out that the income from fees  
was not sufficient to cover the  
Expenses of the Bungalow Es-  
-tablishments, while there were  
no Local Funds which could  
with propriety be applied to  
the payment of these establish-  
-ments

Establishments and they re-  
quested a grant-in-aid of the  
Local Funds until the Bunga-  
lows should become self-sup-  
porting.

3. The Govt of India  
in their letter dated 28<sup>th</sup> Jan<sup>y</sup>  
1864 accordingly sanctioned  
a grant-in-aid of Rs 18770-  
which they directed to be added  
to the Public Works assignment  
for 1864/5. In a later letter  
they sanctioned a further grant  
of Rs 9860 on account of  
Native Choultries, adding that  
this grant would be a charge  
against Imperial Revenue  
and not transferred to Local  
Funds as a grant-in-aid,  
as will be the grant for Public  
Bungalows.

4. It is clear from  
the above quotations that the  
Bungalow grant is not to be  
a charge on the Public Works  
assignment. The course  
suggested

suggested by the Deputy Audi-  
tor and Accountant General  
would however have the effect  
of making it a charge on this  
assignment.

5. The Resolution of  
the Govt of India dated 17<sup>th</sup>  
Jan<sup>y</sup> 1865 on which Mr Lash-  
ington bases his recommenda-  
tion seems to apply solely to  
building grants - while that

Moreover the object of the reso-  
lution seems to <sup>be to</sup> prevent even  
such building grants from

lotment. This object as  
already remarked would  
be frustrated, if Govt. <sup>or</sup>  
directed the grant-in-aid to  
the Bungalow Fund to be  
included in the P.W. Budget.

 grant being made under
