*Proceedings of the Madras Government, Revenue Department,
24th February 1865.*

No. 470. Read the following Proceedings of the Board of Revenue, dated 14th February 1865, No. 846.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Metapolliem, 28th January 1865, No. 11 :—

SIR,

1. I beg to be informed whether the Sholah, close to the seven mile Tope beyond Kota-gherry, and lying in a north westerly direction from the former place, is to be reserved. It has been applied for by a Mr. Phillips of Coonoor, for Tea and Chinchona cultivation I believe.

2. In the course of conversation one day His Excellency Sir William Denison said that he hoped the seven mile Tope Mund Sholah had not been given away. I was not then acquainted with the locality, and could not give a definite reply, but having lately visited it, (the locality,) I have reason to believe that the Sholah now under reference is the one alluded to by His Excellency.

1. Submitted for the orders of Government.
2. The Board observe that the Collector has expressed no opinion on the question referred.

No. 471. ORDER THEREON, 24th February 1865, No. 413.

Miscellaneous.

The Government desire Mr. Grant's opinion as to the expediency or otherwise of reserving the tract in question. Mr. Grant will also state whether on any previous occasion the land has been applied for.
