*Proceedings of the Madras Government, Revenue Department,
27th February 1865.*

No. 492. Read the following Proceedings of the Board of Revenue, dated 16th February 1865, No. 921.

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Vellum, 24th December 1864, No. 408 :—

1. With reference to the Board's Proceedings of the 16th instant, I have the honor to observe, that the sanction of Government therein conveyed, is restricted to the reduced esta-

blishment as now retained; but as the amount of the salaries paid from the month of April to the establishments as they stood up to the month of August last, and which the Civil Paymaster has declined to pass, has not been sanctioned, I beg to request that the Board will be good enough to obtain sanction for the sum of Rupees 411, as shewn in the Bill submitted with my letter of the 24th September last, No. 310, and which is herewith re-submitted.

2. The amount of the monthly salary paid for the months of April and May was Rupees 72 for establishments kept up in six towns, and that paid for June, July, and August, Rupees 89 for those kept up in seven towns; while, since September last, the establishments have been kept up in four towns only at a monthly cost of Rupees 53 in the aggregate, and which sum alone has been sanctioned.

Ordered to be submitted to Government. In their Order dated 24th November 1864, No. 2,162, Government sanctioned a sum of Rupees 53 per month on account of Stamping establishment for Tanjore, that being the amount at which the establishment was kept up from September last, but it appears the Collector's letter that from May to August 1864, a larger establishment was maintained at an aggregate cost of Rupees 411, for which the special sanction of Government is necessary as the Civil Paymaster declines to pass the amount.
