*Proceedings of the Madras Government, Public Works Department,
15th February 1865.*

No. 325. Read the following letter from Captain W. C. PALMER, Executive Engineer, in charge of 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Trichinopoly, 7th February 1865, No. 2,501 :—

SIR,

With reference to Government Order No. 145, dated the 16th January last, I have the honor to report that Mr. Roberts, the Assistant Engineer in charge of the canal work, states that the work in question will probably be completed by the end of July next, provided that a further grant of Rupees 5,000 is sanctioned for outlay on the work during the current year in addition to the amount allotted in the Budget.

No. 326. ORDER THEREON, 15th February 1865, No. 447.

1. Communicated to the Revenue Department.
2. Rupees 13,000 having been allotted for expenditure on the canal during 1863-64, the balance of the estimate,* viz., Rupees 9,565, was entered in the current year's Budget. As however the actual outlay upon the work up to the 30th April last, amounted to Rupees 6,194 only, and as Rupees 1,500† of the current year's allotment have been diverted to other objects, a sum of Rupees 8,306 remains to be provided for the completion of the work. This amount has been included in the Budget for 1865-66, and will not be available before the 1st of May next.

* Rupees 22,565.
