*Proceedings of the Madras Government, Revenue Department,  
4th March 1865.*

No. 33. Read the following letter from J. FRASER, Esq., Officiating Collector of the Godavery District, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Cottapetta, 13th February 1865, No. 6:—

SIR,

1. With reference to the Order of Government, No. 1,435, dated 9th August last, I have the honor to report that the Carolina Paddy therewith received has been distributed through Tahsildars to the different Ryots desirous of trying it both in the Principal and Sub-Divisions.
2. It appears from the Sub-Collector's report that the seed was given by him to a principal Ryot of the village of Madepallem, who planted it in a nursery, and that only about half of the seed grew, which when transplanted did not take root but withered.
3. From the report received from the Tahsildar of Ramachendrapur Talook, under my charge, it seems that the seed which was planted in a small bed in the village of Totapeta alone grew and yielded a very small quantity of paddy (about one seer), which I beg to forward herewith.\*  
\* By banghy.
4. It is reported by others that the cultivation has entirely failed in consequence of the seed not having germinated.
5. The paddy was received rather late to give its cultivation a fair trial.

No. 34. ORDER THEREON, 4th March 1865, No. 462.

**Miscellaneous.**

1. The Government will await the reports of the other Collectors and the Remount Agent.
2. The seed will be sent to Mr. F. Minchin at Aska, for trial.
3. The Government presume that the Board intend to compensate the parties who tried the seed, for any loss incurred by them.
