*Proceedings of the Madras Government, Revenue Department,
8th March 1865.*

No. 119. Read the following Proceedings of the Board of Revenue, dated 22nd February 1865, No. 1,080.

Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 6th February 1865, No. 17:—

1. With reference to paragraph 2 of the Government Order, dated 14th September 1864, No. 1,692, regarding Mr. Monckton's application for certain waste land, I regret that I am unable to give any opinion more definite than that contained in my letter of the 16th July last, No. 121.

2. The land in question, like all jungle on the Nalla Malla Hills, contains some valuable forest trees interspersed with Bamboo; and the objection of the late Sub-Assistant Conservator is as valid in this as it would be in any instance.

3. In my opinion these hills are quite unsuited to European enterprise, but that is a matter for the consideration of the gentleman applying for the land.

Submitted for the information and orders of Government, with reference to Government Order, dated 14th September 1864, No. 1,692, paragraph 2.

No. 120. ORDER THEREON, 8th March 1865, No. 505.

Land Revenue.

1. The Government observe that the land is marked "Diamond mines" on the Map. They wish to know whether there are any such mines on it now, &c.

2. The Conservator of Forests will state whether he sees any objection to a grant of the land, the valuable trees being felled by Government, or sold to the grantee.
