*Proceedings of the Madras Government, Public Works Department,
1st February 1865.*

No. 20. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 23rd January 1865, No. 51 :—

From Major W. FAREWELL, Executive Engineer, in charge of 7th Division, to Lieutenant-Colonel P. P. L. O'CONNELL, R. E., Consulting Engineer for Railways, dated Ootacamund, 19th January 1865, No. 190.

Sir,

With reference to your letter No. 5 of 6th January 1865, I have the honor to inform you that want of funds has precluded the commencement

• At Pothanoor.

of the Choultry* work alluded to; the Bungalows* however is in progress, and Rupees 2,033-1-0 is the expenditure on it up to end of December.

The Government will be applied to for funds to cover a probable total expenditure of Rupees 6,000 up to end of April 1865, by transfer from allotment of other works.

It appears to me to be indispensably necessary that the Choultry at the Railway station at Coimbatore, should be put in hand at once.

† Embodied in Proceedings of Government No. 811, dated 15th December 1864. Doctor Chipperfield in his report† of the 5th September last, paragraph 33, has stated that

“one is greatly needed,” and I would recommend that orders be passed in the Public Works Department for providing funds for the Choultry, as well as the Bungalow.

(Signed) P. P. L. O'CONNELL, Lieut.-Colonel, R. E.,
Consulting Engineer for Railways.

To the Chief Secretary to Government.

Transferred to the Public Works Department.

(Signed) C. G. WALKER,

Under Secretary to Government.

1. Referred to the Revenue Department.

See Public Works Proceedings No. 3,607, dated 16th December 1864, and No. 78, dated 11th January 1865.
