*Proceedings of the Madras Government, Revenue Department,
16th March 1865.*

No. 272. Read the following Proceedings of the Board of Revenue, dated 15th February 1865, No. 874.

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 11th January 1865, No. 7:—

1. With advertence to the Board's Proceedings of the 27th February 1863, No. 1,218, I have the honor to state, that there are at present in this District only two hereditary Yeomiahs of the description therein referred to. The holder of one of these, viz., Panchapkesa, No. 33, Roze Maniem on the Register of this Office, has consented to have his Yeomiah, amounting to Rupees 39-6-0 per annum, commuted into an assignment of land, and I beg therefore to enclose a Statement No. 1, shewing the particulars of land which with the consent of both the Yeomiahdar and the Mirassi holder of the land, has been fixed upon for assignment to the former. I request the sanction of Government may be obtained for the same.

2. The other hereditary Yeomiahdar who formed the subject of the report recorded in the Board's Proceedings above quoted, and to whom the Yeomiah has since been continued under the order of Government marginally noted, has declined to accept any assignment of land revenue in lieu thereof, but has declared his willingness to receive the commutation value of the same in money. This Yeomiah which amounts only to Rupees 55-5-5 per annum, is from its nature, and under the Board's Circular, dated the 21st July 1855, No. 1,821, (paragraph 2,) commutable by a money payment at twenty years' purchase, and I beg to request sanction for the same being accordingly commuted by a payment of Rupees 1,106-12-4 calculated at this rate.

3. I would take this opportunity of suggesting that the payments to the life Yeomiahdars might also be with advantage commuted. These are only six in number, and the holders thereof have, with the exception of the one individual named in the margin, consented to receive the commutation value thereof calculated according to the scale laid down in paragraph 5 of the Board's Circular above quoted. The total amount thus payable in commutation of these five life Yeomiahs is only Rupees 1,037-11-0, and in the event of the proposal meeting with the approval of the Board, I would beg that the sanction of Government may be also obtained for the disbursement of this sum. By this arrangement, only one Yeomiah will be left under payment in this District.

Davantiya Salib Roze Maniem No. 21, Pension per annum Rupees 52-8-0.

Vide Board's Circular, 6th November 1856, No. 3,697.

4. A Statement (No. 2) shewing all requisite particulars in regard to these Yeomiahs, including also the one held on hereditary tenure, and referred to in paragraph 2 above, is herewith enclosed, and with reference to paragraph 6 of the Board's Circular above referred to, I beg to add that the Register kept in this office of all the Yeomiahs already commuted, has been duly and carefully examined, and it has been ascertained that none of those now recommended for commutation are among the Yeomiahs already commuted.

5. The total charge of Rupees 2,141-7-4 on account of this item, inclusive of the two sums specified in paragraphs 2 and 3, can be met from the provision which has been made to the extent of Rupees 82,000 in the sanctioned Budget of the current year for "Miscellaneous" payments under "II. Allowances and Assignments under Treaties and Engagements" subordinate to "B. Charges against Income," and to which credit, only Rupees 29,735 have been debited up to November last.

6. In conclusion, I beg to apologize for the delay which has taken place in the submission of my reply to the Board's Order quoted at the opening of this letter, and which has arisen from difficulty experienced in procuring the attendance before myself of the Yeomiahdars, and in ascertaining their wishes in respect of commutation.

TANJORE,
11th January 1865.

(Signed) W. M. CADELL, Collector.

*Proceedings of the Madras Government, Revenue Department,
16th March 1865.*

1. Ordered that the foregoing communication be submitted to Government, with the Board's recommendation that the Collector be authorized to assign over to Panchabhikesa the revenues derived from V. 1 M. O G. 93 of Nunjah land amounting to Rupees 43-11-10 per annum, in lieu of the annual pension of Rupees 39-6-0, which the Yeomiahdar now enjoys.

2. The Land Revenue (Rupees 43-11-10) proposed to be thus alienated includes 5 per cent. for superintendence, and 5 per cent. for loss arising from contingencies of season, &c., both these items together amounting to Rupees 4-5-10, which sum deducted from the amount of revenue assigned, leaves Rupees 39-6-0, the amount of the pension to be commuted.

3. The above pension is entered in the printed "List of Yeomiahs as they stood on the 31st December 1861," (copy of which list was submitted to Government, with the Board's Proceedings, No. 147, dated 12th January 1863,) as an hereditary subsistence Yeomiah granted by Rajah Pratap Singh in 1752, and at present held by the great grandson of the original grantee under two "dofar rukas."

4. As regards the other six Yeomiahs which are entered in Statement No. 2 forwarded by the Collector, and which he proposes to commute by single money payments under the Board's Circular dated 21st July 1855, the Board observe that they are precluded from recommending the Collector's proposal, as the amounts of the pensions, respectively, exceed 20 Rupees per annum, the limit fixed in Extract Minutes of Consultation, dated 17th April 1857, Public Department, No. 85, (vide Board's Circular dated 11th June 1857,) as the maximum pension commutable under the rules.

No. 273.

ORDER THEREON, 16th March 1865, No. 580.

Miscellaneous.

The recommendation made in paragraph 1 of these Proceedings is approved, and sanction is accordingly granted for the commutation of the money pension therein alluded to into land of the value of Rupees 43-11-10 per annum.
