17th March 1865.*

No. 297. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 10th March 1865, No. 243-10 :—

Sir,

I have the honor to request that the Government will be pleased to sanction a floating advance of Rupees 500 to be retained in the Central Office, to enable me to carry on the work of mounting such of the Survey Maps and binding such of the Settlement Registers of the Trichinopoly and other Districts, as it may be found convenient to have mounted and bound at the Presidency. This arrangement will obviate the necessity of repeated applications to Government for small advances, and as each bill is submitted and sanctioned, its amount will be drawn and credited to the advance fund. Should the Government approve my proposal, I request I may be furnished with a Treasury Order for Rupees 500. This expenditure has been provided for in the Budget.

*Proceedings of the Madras Government, Revenue Department,
17th March 1865.*

No. 307. Read the following Proceedings of the Board of Revenue, dated 9th March 1865, No. 1,356.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 28th February 1865, No. 35 :—

One Madura has offered to take up the Neddivuttum Bungalow as an Hotel. I beg that I may be permitted to hand it over to him free of rent for the present ; he will have difficulties to contend with at first, and will be put to considerable expenses in furnishing the house. If well managed the convenience to the public will be great. Madura was formerly Butler in a gentleman's family, so that he knows what the public will expect from him ; at present, when there are difficulties in procuring funds to keep the Bungalows in repair, it will be a matter of some moment to get the Neddivuttum one taken up by a private party, who will of course be expected to keep it in repair.

Submitted for the orders of Government. The Board are not prepared to recommend that the Bungalow should be handed over to a private individual except at such a rent as would, at any rate, pay for the necessary repairs.

No. 308. ORDER THEREON, 17th March 1865, No. 598.

Local Funds.

The Government concur with the Board that a fair rent should be required (taking into consideration in fixing the rent that there will be a saving of establishment charges), but they are willing to allow Madura a three months' trial free of rent, on condition of his taking due care of the building, and restoring it in the same condition as it may be in when made over to him.
