*Proceedings of the Madras Government, Revenue Department,
22nd March 1865.*

No. 332.

Dated 22nd March 1865, No. 635.

Miscellaneous.

1. The Governor in Council observes that Y. Chedumbara Row, Deputy Collector of the Godavery, has now completed nearly 45 years' service, and his age must consequently be close upon 60. It is not to be supposed that he can now be fit for the responsible duties devolving on Deputy Collectors and Magistrates, and the Governor in Council therefore desires that he be directed to submit an application for the pension to which his service entitles him.

2. The Board will call upon B. Sham Row, Deputy Collector of Bellary, whose service also exceeds 40 years, to follow the same course.

3. The Government are desirous of shewing every reasonable consideration to officers of lengthened and approved service, but this cannot be carried to the extent of injuring the public interests.
