*Proceedings of the Madras Government, Revenue Department,
24th March 1865.*

No. 418. Read the following Proceedings of the Board of Revenue, dated 15th March 1864, No. 1,483.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 28th February 1865, No. 23 :—

1. I have already reported to the Board that more than three-quarters of the Telugu

Dated 10th November 1864, No. 247.

records in the Hoozoor were destroyed by the inundation of the sea on the night of 1st November last. The dufters were collected as far as possible, and those which were quite useless were all buried. The remaining records, which were not so much saturated, were carefully dried. Most of these belong to the late Guntoor District, and had not been arranged. As it is now quite impossible to find any papers required for reference, I have employed the subjoined establishment from 1st proximo, and request sanction for its retention for twelve months, for sorting and arranging the remaining Telugu and English records, and for preparing lists of the same. The sum required for the current official year can be met from the unexpended portion of the Talook contingencies, and for the next year due provision is made in the Budget under the head "Extra or Temporary Establishment," "Land Revenue."

2. I beg to report that half of the Bander Talook records also were destroyed by sea water. The useless records were all buried, and for arranging the remaining records I appointed one Gumashta, on the 1st instant, on 12 Rupees per mensem. Sanction is required for this Gumashta for six months, as entered in the subjoined Memorandum.

3. I beg to report for the information of the Board that during the last two years, Rupees 1,024-1-2 have been credited to Government, being the sale proceeds of waste paper.

Memorandum of extra establishment required in the Kistna District.
