*Proceedings of the Madras Government, Revenue Department,
25th March 1865.*

No. 437. Read the following letter from W. DONALD, Esq., Chief Assistant Civil Paymaster in charge, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 13th March 1865, No. 277 :—

SIR,

I have the honor with reference to Government Order No. 463, dated the 4th instant, to report that, although Mr. Horsley, for the time he was Acting Sub-Collector of Kistna District, was allowed under the Orders of Government, No. 1,818, dated 1st October 1864, to receive the full salary of that appointment, in lieu of the usual deputation allowance only, that amount cannot be looked upon as his permanent salary; the difference therefore between the pay of his permanent appointment and that of Sub-Collector must be viewed as a special deputation allowance. Such being the case, Mr. Horsley's allowances during his absence on privilege and special leave, while he was so acting, fall to be regulated by the rules applicable to deputation allowance. These do not admit of officers, while absent, drawing any portion of their acting allowances, Mr. Horsley was therefore entitled, during the periods in question, to allowances, under the rules, as Head Assistant Collector of Kistna District, that being his permanent appointment. The same rules apply equally to fixed tentage as to salary; and in accordance with the views above stated Mr. Horsley's Bill (referred to in the Memorandum he forwarded to Government) was prepared and sent by this office to that gentleman for signature.

No. 438.

ORDER THEREON, 25th March 1865, No. 662.

Miscellaneous.

Ordered that a copy of this letter be furnished to Mr. W. D. Horsley with reference to his letter, dated 20th February 1865, and with an intimation that Mr. Donald's interpretation of the rules is correct.
