*Proceedings of the Madras Government, Revenue Department,
4th January 1865.*

No. 9. Read the following Proceedings of the Board of Revenue, dated 19th December 1864.

Read the following letter from E. G. R. FANE, Esq., Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Saidapet, 14th December 1864, No. 553:—

SIR,

Government Orders 4th and 15th June 1864, Nos. 1,634 and 1,023.
Board's Proceedings 17th June 1864.
Government Order, P. W. D., 13th July 1864, No. 2,015.

1. With reference to the orders of Government noted in the margin, I have the honor to state that the account shewing the extent and value of the land required by the Indian Tramway Company for the line between

Conjeveram and Arconum, has been received from the Tahsildar of Conjeveram. The land measures Cawnies 19-2-6, assessed at Rupees 93-3-4. The compensation demanded at first by the Ryots amounted to Rupees 5,874-13-5, but it has been finally settled by the Assessors at Rupees 3,796-13-4, which the owners have since agreed to receive. The land has therefore been made over to the Company, as directed in Government Order of the 4th June last. I wish however to know the terms on which the land is to be given to the Company, and how the compensation due to the owners of it is to be met. I therefore beg the Board will at once instruct me on the two points.

2. In the Order of Government dated the 15th June 1864, No. 1,023, the Government observe that the papers relating to the terms on which land is to be given to the Company, would be furnished to the Board by the Public Works Department; but whether the Board have received any such papers or not, I am not aware.

1. Submitted for the orders of Government.

2. The papers referred to at the close of the Collector's letter were communicated to him with Board's Proceedings No. 1,053, dated 17th February 1864. He is referred to Board's Proceedings dated 27th June 1864, No. 3,972.

3. These papers however do not altogether furnish the information now required by the Collector.
