Proceedings of the Madras Government, Revenue Department, 24th March 1865.

No. 420. Read the following Proceedings of the Board of Revenue, dated 17th March 1865.

Read the following letter from Lieutenant-Colonel T. H. CAMPBELL, Superintendent Gun Carriage Manufactory, to the Secretary to the Board of Revenue, dated Madras, 15th March 1865, No. 295:—

SIR,

1. With reference to paragraph 4 of the Proceedings of the Board of Revenue, No. 1,349, dated 8th March 1865, I have the honor to request you to have the goodness to inform me, when and for what period the services of 3rd Class Foreman G. M. Dorsey are required, and the remuneration the Board propose to grant him, that I may make arrangements to fill up his place during his absence from this Department.

2. As the removal of Ordnance Artificers requires the sanction of the Inspector General of Ordnance and Magazines, the Board of Revenue should apply to that Officer to place the services of Foreman Dorsey at their disposal.

Forwarded for the information and orders of Government. The Board would wish to have Mr. Dorsey placed at their disposal at once, and would probably require his services for about six weeks or two months.

No. 421. ORDER THEREON, 24th March 1865, No. 653.

Referred to the Military Department, in view to Mr. Dorsey's services being placed at the disposal of the Board of Revenue for six weeks or two months, to aid setting up the Agricultural Machinery lately received from England.
