*Proceedings of the Madras Government, Revenue Department,
6th April 1865.*

No. 68; Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 27th March 1865, No. 1,789 :—

SIR,

1. With reference to the Order of Government, dated 21st June 1864, No. 1,072, communicating to me the sanction of the Government of India for the continuance of the temporary Establishment till 30th April 1865, at a monthly cost of 60 Rupees, in connection with the duties of revising Revenue Establishments, I have the honor to state, for the information of Government, that the Establishment in question cannot be dispensed with on the date above-mentioned, as I originally expected, as there is still much to be done.

2. As soon as the orders of Government are received on my letters recently submitted, suggesting certain alterations in the Revenue Establishments, a general Statement will have to be prepared and submitted to Government. The Talook Tappal Establishment also is now undergoing a second revision, in consequence of portions of Talooks having been transferred from one District to another, and regular post lines having in some cases been abolished, and in others newly established since the original scheme for Tappal Establishment had been submitted to Government, which was after long delay sanctioned by the Government of India. I am now in communication with the Post Master General and the Collectors about the alterations to be made in the several lines; in consequence of the changes above referred to, and the revised Statement will have to be submitted to Government for sanction. The revision of Village Establishments also has not yet been finally closed.

3. I therefore consider that a small temporary establishment should be continued for some time more until all these matters are finally closed, and the lists of all the revised Establishments are printed. Out of the present sanctioned amount of 60 Rupees a month, I have availed of only 35 Rupees, according to actual requirements; and I now request that I may be permitted to retain the present Establishment at a monthly cost of 50 Rupees until the end of the next official year, by which time the business will probably be finally closed. If it should be completed at an earlier date the Establishment will of course be dispensed with at the same time. A Tabular Statement in the prescribed form for the Establishment in question is herewith submitted.
