To
The Superintendent of Stamps
Madras.

Sir,

In reply to your letter N. 1302 of the 6th instant, I have the honor by desire of the Commissioner of Mysore to state, that the stamp "Mysore Commissioners Office" will be impressed at this Office, and as that of your Office in addition would be unnecessary, and might possibly be attended with inconvenience, the Commissioner is of opinion, that the paper after being impressed with the valuation stamp at the mint should be forwarded direct to Bangalore without being passed through your Office. The Commissioner has addressed the Government of Madras on this proposal, and should it be concurred in by that Authority, the requisite supply of Paper will be sent hence direct to the Mint Master.

2. Judging from the experience of the past year, the probable number of Stamps required for a year's consumption will not fall short of 30,000, and under the operation of the Indian Act it is likely to increase.

In reference to your letter N^o 18 dated 4th Instant, I have the honor, in order to give the information you ask, to enquire whether the Impression "Mysore Commissioner's Office" is to be impressed by me in substitution of my own Office Stamp, or whether such will be added by you at Bangalore.

If

If it is impressed by you at Bangalore it will appear as a third Stamp, as no Papers can pass through my Office without bearing evidence by Stamp of its having done so, but if it is impressed at my Office it can take the place of my own Stamp.

I also beg you will inform me of your probable annual consumption of impressed Stamps.
