*Proceedings of the Madras Government, Revenue Department,
6th April 1865.*

No. 87. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 25th March 1865, No. 303-12 :—

SIR,

1. In paragraph 10 of their Order in the Public Department, dated 25th January last, No. 111, the Government were pleased to sanction the grant, as recommended by Mr. Ellis, of gratuities equal to a month's salary to the Police and all the subordinate public servants at Masulipatam who suffered by the disastrous storm of the 1st November last. The servants of the Settlement Department were not expressly mentioned, and do not appear to have been included in the estimate of the sums proposed to be paid, though I do not suppose that it could have been intended to deprive them of the benefit of the order. Mr. Thornhill, while admitting that they are entitled, equally with the other subordinates, to the grant in question, expresses his inability to make the payment under the existing order. I have therefore the honor to request that the Government will be pleased to sanction the extension to the subordinate servants of the Settlement Department, who were at Masulipatam on the 1st November last, of the indulgence granted

to the other public servants in the order above quoted. The strength of the Establishment and the salaries received by each servant are given in the margin. The aggregate amount, including the salaries of the Establishment temporarily entertained is Rupees 545. Two of the extra Gumashitas, three of the Peons, and the Masaljee lost their lives in the storm. Perhaps the Government will allow the gratuities due to them to be paid to their heirs. I am not aware of the source from which the compensation granted to the other public ser-

vants was ordered to be paid, but if necessary, the amount now applied for, can be met from the Settlement Budget. I request the orders of Government on this point.

No. 88. ORDER THEREON, 6th April 1865, No. 753.

Miscellaneous.

1. The Order of Government, dated 25th January last (Public Department, No. 111), applies also to those officers of the Settlement Department who suffered from the storm. A bill for the amount disbursed should be submitted for sanction.

2. The gratuities of the men who lost their lives may be paid to their immediate relatives, if these are in needy circumstances and were dependent on them for support.
