*Proceedings of the Madras Government, Revenue Department,
7th April 1865.*

No. 93. Read the following Proceedings of the Board of Revenue, dated 24th March 1865, No. 1,680.

Read the following letter from J. FRASER, Esq., Officiating Collector of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 27th February 1865, No. 25:—

1. I have the honor to state that the services of a Surveyor are required to survey certain large accretions to existing Islands in the bed of the Godavery river, as well as some recently formed; about the right of which disputes have arisen between Government and proprietors, and between the Ryots of Government villages. His services have been also required to prepare correct plans, while I have been engaged in making the settlement of the Ramachendrapuram and Amlapur Talooks; in order to ascertain the boundaries of each island, and the extent and position of the newly formed portions according to the demarcation made in Fusly 1269. I accordingly applied to Mr. Sage of the Public Works Department, Executive Officer in charge of these Talooks, for a subordinate to attend to this work; but I was informed that no competent hands can be spared from his Department. I, therefore, have employed one K. Subbarayudu, who was deputed by Colonel Crewe, the Deputy Superintendent Revenue Survey, to survey certain unassessed waste land at Cocanada, and an island at Jannada in Ramachendrapur Talook and prepare plans for them, as a proper person for the work; and I have been obliged to ask that Officer to spare him until I have finished my Jamahbundy.

2. In compliance with my requisition, Colonel Crewe has placed at my disposal the services of the above Surveyor, and informs me that he may be kept with me provided his salary, viz., Rupees 17½ per month, for the period he is detained, is defrayed by me, as will be seen from the enclosed copy of his letter, dated 11th instant. The services of the Surveyor are absolutely necessary for some time to come for the above purpose.

3. Under these circumstances I request you will have the goodness to obtain the sanction of the Board to pay the Surveyor his salary at the rate of Rupees 17½ per mensem from the general funds, so long as he may remain with me from the 10th instant.

4. Provision has been made in the Budget for the current year to meet the above charge under B1., Land Revenue Temporary Establishments.

ENCLOSURE No. 1.

From Lieutenant-Colonel W. CREWE, Deputy Superintendent, Revenue Survey, to J. FRASER, Esq., Officiating Collector of the Godavery District, dated Camp Guntoor, 11th February 1865, No. 19.

1. In reply to your letter No. 1 of the 1st instant, I have the honor to inform you that Detail Surveyor K. Subbarayudu can remain with you until the Jamahbundy of the Amlapur Talook is completed, provided you will defray the amount of his salary (Rupees 17-8-0 per month) for the period he is detained by you.

2. I am obliged to make this proviso as I have no funds at my disposal for work in the Godavery District, the survey of which has been reported to be completed, and that it would not be fair to charge his salary whilst employed there to the Kistna Survey Establishment of which he is a member.

3. In accordance with your request I am writing to inform K. Subbarayudu that his services are placed at your disposal, and that he must apply to you for the assistance that he will require to execute the surveys that may be given him by you.

(Signed) J. FRASER,
Officiating Collector.

District. The charge can be met from the provision of 500 Rupees made in the Budget for 1864-65 on account of Temporary Establishment.

2. The Collector does not state for what period the services of the Surveyor are required. If they are required beyond 1864-65, Mr. Fraser will include such amount as may be necessary in the estimate of temporary establishment for 1865-66, as the sanction that may now be given will cease to have any effect after the close of the current official year.
