*Proceedings of the Madras Government, Revenue Department,
10th April 1865.*

No. 138. Read the following letter from H. CLEGHORN, Esq., M. D., Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 30th March 1865, No. 1,253 :—

Sir,

1. I have the honor to forward an application from Major Morgan for the appointment of a small Establishment in the Sattimungalum Talook, viz :—

- 1 Third Class Overseer.
- 1 Gumashta.
- 6 Peons.

Total monthly Rupees 136. Total *per annum* Rupees 1,632.

The demand for timber in this District has increased since the opening of the Railway, and from the annexed estimate it will be seen that Major Morgan expects a profit of about 6,000 Rs. per annum.

2. I have myself seen the Sandal-wood in the Hassanoor pass and Bellyrungum hills, and believe that the forest resources are amply sufficient to meet the charge.

3. Captain Beddome has also inspected part of the forest in question, and if sanctioned, there is a sufficient balance of the Segoor Forest Budget grant to cover the outlay for the remainder of the official year.

No. 139.

ORDER THEREON, 10th April 1865, No. 778.

Forests, No. 5.

The entertainment of the Establishment is accordingly sanctioned, and funds will be transferred from the Segoor Forest Budget referred to in paragraph 2 of the above letter.

Conservator of Forests.

Sir.

I have the honor to request that a 3rd class overseer may be appointed to the Sathimungalum Taluk with an establishment of a Gomastah and 5 Peons.

The work in this Taluk owing to the vicinity of the Railway is now becoming important and I estimate that by hardy working the Forests for Sandalwood and by the issue of Licenses the profits will be as follows.

Charges	Receipts.
1. 3 rd class overseer @ 50 Rs a month x 12 = 600	2000 mams of Sandalwood @ 4 Rs. 8,000
Travelling allowance of Do @ 15 Rs a month x 12 = 180	500 licenses @ 3 Rupees. 1,500
1. Gomastah @ 20 Rs a month x 12 = 240.	3 Rupees. 1,500
Travelling allowance of Do @ 8 Rs a month x 12 = 96.	Firewood Bam.
1 Head peon @ 8 Rs a month x 12 = 96.	4000. & 400. 250.
5 Peons @ 7 Rs each a month x 12 = 420.	1,632.
Working charges 2000 mams of Sandalwood @ 1 Rupee. 2,000	9,750.
Total Rs. 3,632.	Profit 6,118

3. Hitherto we have worked a portion of this Taluk in the Seegun Forest as it adjoins the Melgherry Taluk. The licenses for blackwood, junglewood, firewood, &c &c have been refused by the S. D. Collector, but it is now advisable

advisable that the valuable forests of this Taluk be brought under the regular Conservancy System.

1 In July 1863 Captain Beddome and myself explored a good part of the Kapsauor forest bordering on the Bellarymangam range, and we found plenty of Blackwood, good Urugay, Vella Naga, Sahiwood &c.

5 The cost of the charges for the establishment may be met out of the Budget grant of the Sezaru Forest for 1865-1866.

I have the honor to be
Sir

Yours most obedt Servant
