SIR,
1. I am directed to forward, for submission to the Government of India, the Proceedings of this Government, dated 28th March 1865, No. 680, (together with the correspondence connected therewith,) sanctioning, for reasons therein stated, the establishment of a small Farm on an eligible locality in the Madras District for the purpose of exhibiting to the people in effective operation the agricultural machinery recently received from England, as also an improved system of agriculture.

Procs. of Govt. 27th September 1864, Nos. 406, 407.
3rd February 1865, " 51, 52.
28th March " " 472, 473.
4th April " " 48.

2. The Farm is to be a purely public experiment, and the expenditure sanctioned on its account amounts to Rupees 2,000* for stock, &c., and Rupees 375† monthly for labor, establishment, and other charges, as particularized in the margin. The special monthly grant of Rupees 150 made‡ by Government to the Agri-Horticultural Society at Madras for Cotton experiments will, however, now be discontinued.
