No. 329. Read the following Proceedings of the Board of Revenue, dated 30th March 1865, No. 1,761.

Read again the papers recorded in Board's Proceedings, dated 10th February 1865, No. 768.

Read also the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Gandavaram, 1st March 1865, No 29 :—

1. I have the honor to acknowledge the receipt of the Board's Proceedings, dated 10th ultimo, No. 768, observing* that I have given no opinion either in favor of, or against the application from Syed Mahomed Ghouse Khan, son of the ex-Jaghiredar of Udayagiri praying for an increase of his present pension or stipend that he receives from Government, and requesting my opinion as to the expediency or necessity of complying with the same.

* Paragraph 10.

2. As the Board observe in paragraph 7, on the death of the Jaghiredar, the Government in 1841 increased the allowances to each of his two sons from Rupees 50 to Rupees 100, and as there can be no doubt but that prices have since then nearly doubled, I think it would be as well were his present stipend raised from Rupees 100 to Rupees 150.

---

1. Resolved that the correspondence recorded above, together with the address from the son of the ex-Jaghiredar of Udayagiri, received with the Collector's letter of the 8th July 1864, No. 216, be submitted for the orders of His Excellency the Governor in Council.

2. In consideration of the Petitioner's circumstances, and the reduced state of the family, of which he is the chief representative, the Board recommend that the Collector's proposition be acceded to, and that Syed Mahomed Ghouse Khan's stipend be hereafter fixed at Rupees 150 per mensem.

No. 330. ORDER THEREON, 27th April 1865, No. 873.

Miscellaneous.

1. The Governor in Council resolves to request the sanction of the Government of India for an increase of Rupees 50 in the monthly stipend now allowed to Syed Mahomed Ghouse, the only surviving son of the ex-Jaghiredar of Udayagiri, as an act of charity to the last representative of a fallen family.

2. The Board of Revenue will be desired to explain why they allowed an interval of seven months to elapse between the receipt of the petition through Mr. Dykes in July 1864, and its submission for the orders of Government in March 1865.

From

J. D. SIM, ESQ.,
Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA.

SIR,

Miscellaneous.

1. I have the honor to request the sanction of the Government of India to an increase of Rupees 50 in the monthly stipend of Rupees 100 now allowed to Syed Mahomed Ghouse, only surviving son of the ex-Jaghiredar of Udayagiri.

2. The Estate was resumed in 1839, on the ground that the Jaghiredar had failed in his allegiance, and Rupees 713 per mensem was allowed to the various members of the family for their subsistence.

3. Since that time the ex-Jaghiredar and one of his two sons have died, and the family allowance has by these and other lapses been reduced to Rupees 444-8-0.

4. The Governor in Council is now of opinion that, in the state of comparative poverty to which Syed Mahomed Ghouse has been reduced by the death of his father and brother, it is desirable to raise his stipend from Rupees 100 to Rupees 150, as an act of charity to the last representative of a fallen family.

I have the honor to be,
Sir,
Your most obedient servant,

1. The Udayagiri estate was resumed in consequence of the Jaghiredar having failed in his allegiance to the British Government, and the allowances originally proposed by the Principal Collector of Nellore in his letter, dated 4th December 1839, for the support of the Jaghiredar and his family, were as follows:—

	Per mensem. Rupees.
To the Jaghiredar...	250
„ Ghouse Saib (his son)	50
„ Ally Hoossain (do.)	50
„ Noor Oollah Saib (his brother)	50
	400

On the Board's recommendation, as contained in their letter, dated 23rd December 1839, the Government in Extract from Minutes of Consultation, 14th January 1840, sanctioned the above arrangement as a temporary measure until the resources of the Jaghire, and the number of the members of the family who required support, were ascertained.

2. The Principal Collector, in a letter dated 24th August 1840 (paragraph 33 *et seq.*) reported fully on the circumstances, &c., of the Jaghiredar's family, and recommended the following pensions in lieu of those above mentioned, viz.,

	Per mensem. Rupees.
To the ex-Jaghiredar	100
„ Ghouse Saib and family	40
„ Ally Hoossain and wife	25
„ Noor Oollah Saib and family...	30
	195
And nineteen other pensions, or rather sums to be sub-divided into several smaller amounts as the state of the family of the sisters of the Jaghiredar called for, making in all a total sum per month of	333
And a grand total of Rupees per mensem...	528

3. In submitting this new arrangement to Government, the Board, in Proceedings dated 29th October 1840, observed as follows:—"The Board have scarcely sufficient data on which to "form an opinion as to the adequacy or otherwise of the sums proposed to be allotted for the "maintenance of the ex-Jaghiredar and his relatives. The Principal Collector states that the "allowances have been fixed at the lowest possible scale, and that all have been excluded from "a participation, but the immediate family of Abbas Ally, his brother and sisters and their issue."

4. The Government did not adopt the reduced scale proposed by the Principal Collector for the Jaghiredar and his sons, but merely modified* their original order of 14th January 1840, so far as to resume the 50 Rupees allowed for Noor Oollah's support, as that individual had been in the meantime released from restraint; and they further observed, "It will be recommended "to the Government of India that the various small sums proposed by Mr. Stonehouse to be allotted to the members of the ex-Jaghiredar's family, who are not in confinement with him and his "two sons, amounting in the aggregate to Rupees 363, including 30 Rupees to Noor Oollah, as "shown in the annexed Statement, may be sanctioned."

* Secret Department, Ex. Mins. Cons. 15th December 1840.

5. The Government of India in a letter dated 11th January 1841, contained in Extract from Minutes of Consultation of this Government, dated 4th February 1841, Revenue Department, sanctioned the allowances proposed, observing that "they appeared to be generally on a very moderate scale."

6. The aggregate grant was thus increased to Rupees 713, viz.,

	Rs.
To the Jaghiredar...	250
„ his two sons	100
„ other members...	363
	713

7. On the death of the Jaghiredar, the Government authorized the increase of the stipends of the two sons from 50 Rupees to 100 Rupees each, and the confirmation of the Government of India to the increase was communicated to the Board in the Extract from Minutes of Consultation of the Local Government, dated 22nd April 1841.

8. The total allowance per mensem originally granted is shown, in the Collector's present Statement above recorded, to be Rupees 813, which sum includes the increase of 50 Rupees to the pensions of each of the two sons after their father's death.

9. Out of the grant of Rupees 813, pensions to the amount of Rupees 389¼ appear to be still enjoyed, and pensions to the amount of Rupees 423¾ to have lapsed. In one instance, No. 12, the allowance was subsequently increased, with the sanction of Government, from Rupees 15 to Rupees 70; the difference or Rupees 55 has, therefore, to be added to Rupees 389¼ above mentioned, making the amount of monthly pensions now enjoyed to Rupees 444¼. This sum includes pensions which are entered in the Collector's present Statement as having been transferred to Madras, amounting to Rupees 35, but whether these pensions have ceased, or are still being paid, the Board are not aware.

10. Before submitting the application of the Petitioner for the orders of Government, the Board request the Collector to give his opinion as to the expediency or necessity of complying with the application. The Board observe that Mr. Dykes has given no opinion either in favor of or against the application.
