No. 80. Read the following letter from H. CLEGHORN, Esq., M.D., Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 24th April 1865, No. 822 :—

SIR,

1. I have the honor to report that Major Hunter, Conservator of Mysore, took over charge of the Hunsoor Forests from Major Gib upon 15th ultimo. The timber in the different depôts (about 10,000 Rupees worth) was offered to him, and also to the merchants at the current rate, but no one is willing to buy till August or September, when the Cubbon river rises sufficiently to float logs to Mysore, consequently a small Establishment, as below, is required to look after the wood till that time, when Major Gib expects to sell it all.

2. The Overseer and the rest of the Peons were discharged on the date of transfer. The Establishment now required is :—

	RS.
1 Gumastah	10
1 Do.	8
2 Peons	14
	—

This for five months from 1st May will amount to 360 Rupees, to be paid from the Budget allotment of the Wynad Range, for which the sanction of Government is required.
