*Proceedings of the Madras Government, Revenue Department,
8th May 1865.*

Read the following papers :—

No. 115. Proceedings of the Board of Revenue, dated 17th March 1865, No. 1,526.

Read the following letter from E. B. FOORD, Esq., Acting Collector of Ganjam, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Berhampore, 21st February 1865, No. 36 :—

SIR, With reference to the Proceedings of the Board of Revenue, No. 670, dated the 7th February 1865, I have the honor to forward, herewith, an Indent in duplicate for the Cask Gauge and Sykes' Hydrometer.

1. The Board observe that the Sykes' Hydrometers, last supplied to the Abkarry Department at Madras, were obtained through Government, (Government Order, No. 680, dated 17th April 1863,) from the Secretary of State. The Board resolve, therefore, to submit an Indent for twenty-five additional Hydrometers, one of which, when obtained, will be furnished to the Acting Collector of Ganjam, and the remainder reserved to meet future demands from other Districts.

2. The Cask Gauge, required by the Acting Collector of Ganjam, will be indented for separately, as it can be procured from the Commissary General.

No. 116. Official Memorandum from the Acting Sub-Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 25th April 1865, No. 414.

1. With reference to Memorandum from the Secretary to Government, Revenue Department, dated 12th April 1865, the undersigned has the honor to state that the Board in their Proceedings, dated 9th April 1863, No. 2,035, recorded in Government Order, 17th April 1863, No. 680, indented for only one Hydrometer, while from the Secretary of State's Despatch, communicated in Government Order, 23rd July 1863, No. 1,370, it would appear that this Government indented for two. It is not apparent why this alteration was made in the Board's Indent.

2. With a letter dated 25th June 1864, the Commissary of Ordnance forwarded to the Board one case containing Hydrometer (Sykes') with Ivory Thermometer Tubes, &c., received per "New Era," which case on receipt was forwarded to the Collector of Madras.

3. From enquiry made on Friday last in the Collector's Office, it appears that the case contained but one Hydrometer with its parts.

(By Order,)

(Signed) C. G. MASTER,

Acting Sub-Secretary.
