*Proceedings of the Madras Government, Revenue Department,
8th May 1865.*

No. 126. Read the following Proceedings of the Board of Revenue, dated 28th April 1865, No. 2,142.

Read the following letter from A. HATHAWAY, Esq., Collector of Bellary, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Camp Camlapur, 8th April 1865, No. 52 :—

SIR,

1. The Ryots of Heraculloo, in the Talook of Bellary, having complained that in consequence of the occasional overflowings of the Toongabadra, on the banks of which river their houses are at present built, they are put to considerable inconvenience; as also to danger of loss of life and property, and having requested to be allowed to occupy as building sites, 5 Acres of unirrigated land, No. 44, assessed at Rupees 3-12-0, and which have been waste for twenty years, a full inquiry was instituted, which satisfied me that their complaint was on the main well-founded, and that no other land is available for building purposes.

2. The extent of No. 44 is Acres 11, G. 2, A. 8, assessed at Rupees 8-5-0, and the portion applied for may, in my opinion, be conveniently appropriated for the above purpose. The village authorities also and other Ryots have expressed their consent to the said appropriation.

3. I have, therefore, the honor to request that the necessary sanction of Government may be obtained for carrying out the proposed arrangement.

Submitted for the favorable consideration of Government.

No. 127. ORDER THEREON, 8th May 1865, No. 948.

Miscellaneous.

Sanctioned. The Collector will arrange for the site being laid out in streets with due regard to sanitary considerations, and a quit-rent will be levied on each block for local purposes: such as cleansing the village, &c.
