No. 176. Read the following Proceedings of the Board of Revenue, dated 31st March 1865, No. 1,779.

Read the following letter from G. BANBURY, Esq., Acting Collector of Tinnevely, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Palamcottah, 28th February 1865, No. 116 :—

SIR,

1. In returning the accompanying Board Petition, I have the honor to make the following brief report called for thereon.

2. Petitioner enjoyed an hereditary Moturpha Maniem, as Native Doctor; it gave him Rupees 3-13-0 per annum; when the Moturpha was abolished in Fusly 1270, the Petitioner's emoluments similarly ceased.

3. Certain Ináms of this nature were ordered to be continued during the life-time of the present incumbents, the money payments being commuted into land, or rather the assessment on the land being appropriated for the payment of these stipends.

4. Petitioner performs his medical duties to the best of his ability, and I see no reason why he should not be treated similarly with his fellow Inámdars, to whom the allowances were, as above stated, conceded by Government. Had this case come to Mr. Silver's notice, I doubt not he would have included it in the return forwarded with his letter, dated 25th September 1863, No. 374.

5. Should the Board concur with me in thinking the allowance should be maintained to Petitioner during his life-time, arrangements can at once be made for allotting for this purpose Nunjah assessment equal to the amount of stipend the Petitioner was wont to receive; this course was adopted in similar cases.

ENCLOSURE No. 1.—Petition.

1. Submitted for the consideration and orders of Government.

2. As it appears that the name of Sevalacaudi Vaithian (Board Petitioner in No. 343 of 1865) was accidentally omitted from the list of persons receiving subsistence allowance out of Moturpha collections furnished on a former occasion, the Board recommend that the payment of Rupees 3-13-0 annually (with arrears from Fusly 1270) be sanctioned in the present instance for the recipient's life-time as settled for other similar cases by Government Order, 11th October 1864, No. 1,860, paragraph 2.

3. The Board observe that the course stated in paragraph 5 of the Acting Collector's letter to have been adopted, viz., of allotting Nunjah assessment equal to the amount of stipend, was not warranted by the Order quoted above. Mr. Banbury will be requested to report whether he has rightly explained the course actually followed.

No. 177. ORDER THEREON, 10th May 1865, No. 973.

Miscellaneous.

1. Payment of the annual stipend of Rupees 3-13-0, with arrears from Fusly 1270, is accordingly sanctioned for the life of the present holders in accordance with paragraph 2, G. O., dated 11th October 1864, No. 1,860, Revenue Department.

2. The commutation of these personal grants for assignments of land was not sanctioned by Government. The Board will submit the further information called for from the Acting Collector as to the course said to have been pursued in this matter.
