*Proceedings of the Madras Government, Revenue Department,
11th May 1865.*

No. 183. Read the following Proceedings of the Board of Revenue, dated 4th May 1865.

Read the following letter from W. D. HORSLEY, Esq., Sub-Collector of Cuddapah, to H. G. SMITH, Esq., Collector of Cuddapah, dated Madanapalli, 25th April 1865, No. 92:—

SIR,

1. As the Civil Paymaster still declines to grant me pay from the date of my joining this District, I have the honor to request that you will be good enough to refer the matter for the orders of Government with the correspondence that has passed on the subject.

2. In my letter of the 12th instant I have given all the circumstances of the case, and I need now only add that it was my intention to have joined the District at the head quarters of the Sub-division, but that I was directed by you to join at Cuddapah for the performance of certain duty at that station, and that I was engaged on that duty previous to the arrival of my office at Cuddapah. I would therefore submit that the mere fact of my having been employed on the duties of my office entitles me to draw salary from the 1st March, and the fact that my office did not join me till the 4th March has nothing to do with the question.

3. I may also observe that Mr. Webster was only in charge of the Sub-Collector's office, and therefore not drawing any portion of the salary which I now claim.

Under the circumstances stated, I am of opinion that Mr. Horsley is entitled to the salary he claims, and therefore beg that the Board of Revenue will refer the matter for the decision of Government. Copy of correspondence held on the subject is enclosed.

(Signed) H. G. SMITH, *Collector.*

1. Resolved that the foregoing correspondence be submitted for the consideration and orders of Government. Mr. Horsley, under instructions from the Collector, appears to have joined the head quarters of the Cuddapah District before noon on the 28th February, but the Sub-Collector's office, which was not at the District head quarters, was not placed under Mr. Horsley's orders until the 4th March, Mr. Webster having reported to the Civil Paymaster that he remained in charge of that office until the evening of the 3rd.

2. The Civil Paymaster declines to pass Mr. Horsley's salary as Sub-Collector for any period previous to 4th March, on the ground that another Officer was performing the duties of Sub-Collector up to that date. The Collector, on the other hand, considers that as Mr. Horsley was detained at District head quarters on duty his salary should be passed to him from the 28th of February. The Board agree with the latter Officer, and resolve to recommend that the Civil Paymaster be instructed accordingly.

No. 184.

ORDER THEREON, 11th May 1865, No. 977.

Miscellaneous.

The Civil Paymaster will be requested to report if the three days' pay alluded to in these Proceedings is available.
