*Proceedings of the Madras Government, Revenue Department,
11th May 1865.*

No. 211. Read the following Proceedings of the Board of Revenue, dated 22nd April 1865.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Coimbatore, 7th April 1865, No. 59:—

SIR,

I have received Proceedings of Government and their Order Thereon, dated 1st April 1865, No. 714, transmitting a Memorial from Mr. Honeywell, Brewer on the Neilgherries, complaining that whilst he had received a License for the manufacture and sale of Beer wholesale, he had not received License permitting him to dispose of Beer by retail. Pending my reference to the Board of Revenue, dated 23rd January 1865, No. 7, regarding the issue of retail Licenses to Mr. James and Mr. Honeywell, for the sale of Beer, Licenses were withheld; but since the receipt of the Board's reply,* Licenses have been issued to them

* Dated March 1865, No. 1,233.
Mr. Honeywell, Coonoor, Ootacamund, Kotagerry, Coimbatore.
Mr. James, Ootacamund, Coonoor.

to retail Beer in the marginally noted localities. The grant of additional Licenses is under consideration. It does

not do to grant Licenses in out-of-the-way places, where the retail sale of the Beer is not under observation, as there is too much reason to believe that the Beer sold to the Natives is frequently doctored, at least I am told so, by people unconnected with each other. I have told Mr. Honeywell of the report, and warned him of its consequences, assuring him at the same time that if the report turned out true the penalties of the law will be enforced.

1. Submitted to Government, with reference to their Order, dated 1st April 1865, No. 714.

2. The Board are of opinion that the disposal of Mr. Honeywell's case may well be left to Mr. Grant.

The Government concur in the opinion of the Board of Revenue, and see no reason to disturb the arrangements made by the Collector.

I would as collector,
 have given a license to
 Mr. Honeywell & have come down
 upon him if ever he went to show
 that his Beer was dropped. It is rather
 hard on a brewer to punish him; not for what
 he has done but in anticipation for what he
 hasly disposed of, he may do W.D.
 I think that it will
 be enough if Mr

The police have been at
the four places named. We are
incautious how we interfere
with the collector in the matter
of drunkenness in the besetting
him among servants & the
women riding on the trucks - &
he has been very probably is
drugged - & it is unknown
whether he is mad or not.
