No. 443. Read the following Proceedings of the Board of Revenue, dated 9th April 1866.

Read the following letter from the Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 15th March 1866, No. 49 :—

1. In Miscellaneous Circular, dated 7th October last, No. 6,319, the sanction of the India Government was communicated to the effect that charges connected with the construction and repair of Travellers' Bungalows should be debited to the annual Public Works allotment from 1st May 1864, until they become self-supporting, and the subsequent Miscellaneous Circular, dated 9th of the same month, No. 6,377, conveys the sanction of Government, in which authority is given, in anticipation of the sanction of Government of India, for expenditure on bungalows in each Division of one-eighth of the available amount for repairs to those buildings. The Superintending Engineer of this Division, however, states in reply to my application for money that "Imperial funds are not now available for outlay on "Public Bungalows."

2. The season for the preparation of the necessary materials is now at hand, and loss of time in so doing will entail increased expenditure as the monsoon is fast approaching.

3. The estimated expenditure for keeping up the bungalows ordered to be retained is Rupees 551, and the repairs of the Musáfarkhanahs, which also comes under the term "accommodation for travellers," is Rupees 202, total estimate Rupees 753, for which funds are now required.

4. If no funds are available from Imperial allotments, I may point out that the necessary repairs may be met from the balance out of the Bungalow Fee Fund, including the grant-in-aid, which now amounts to Rupees 1,213, to the end of last month, and of which no more than about 100 Rupees will be required to pay the bungalow establishment for the two remaining months of the year.

5. I beg to be favored with early instructions of the Board on the subject.

The orders of Government will be requested in the Department of Public Works for an early grant of Imperial funds for such bungalow repairs as appear to be urgently needed. The Collector must bear in mind that the cost of furniture, &c., sanctioned in Board's Proceedings, dated 29th January 1866, No. 659, has to be met from the Bungalow Fund.

No. 444. ORDER THEREON, 20th April 1866, No. 1,241.

ACCOUNT, No. 55.

1. In Proceedings No. 2,835, dated 25th September 1865, the Government ruled, in conformity with the instructions of the Government of India, that the outlay on repairs to Travellers' Bungalows in this Presidency should be restricted to Rupees 10,781,* or at the rate of Rupees 1,347½ for each Division.

* Exclusive of Rupees 449 for New Works.

2. From a letter recently received from Lieutenant-Colonel Walker, the Government observe that the allotment above mentioned has been very greatly exceeded in the 7th Division, and they are therefore unable to sanction the appro-

priation of a further sum, from the *Imperial* allotment, to the repair of bungalow in the South Canara District.

3. Part III. of the Budget of 1866-67 contains provision to the extent of Rupees 1,403, for the repair of Public Bungalows in the 7th Division. Colonel Walker will make arrangements, in communication with the Collectors of the Coimbatore, Malabar, and South Canara Districts, for laying out that amount in the execution of such repairs as may be most urgently required where Bungalow funds are not available.
