*Proceedings of the Madras Government, Public Works Department,
20th April 1866.*

No. 456. Read the following Proceedings of the Madras Government in the Revenue Department :—

Communicating Proceedings of the Board of Revenue on a letter from the Collector of Nellore, recommending that the funds required for the opening of a road to connect the town of Vencatagiri with the Railway near Tripati, be provided from the final assignment of the one per cent. Income Tax.

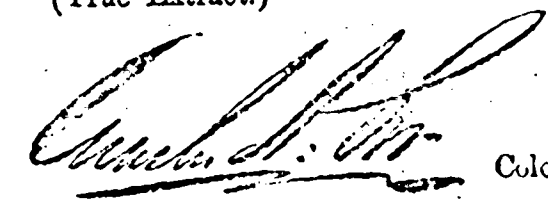

(Here enter 6th April 1866, No. 801.)

No. 457. ORDER THEREON, 20th April 1866, No. 1,248.

ACCOUNT, No. 58.

The assignment for Public Works being insufficient to meet all the pressing demands which have been made for the execution of works of public improvement throughout the Presidency, the Government have been obliged to adopt the principle of preferring works in actual progress to those which, though of unquestionable utility, have not yet been commenced, and, as a general rule, in drawing up the Budget, to allot funds to the former to the exclusion of the latter. The road* referred to by the Collector of Nellore not having been commenced, the Government regret that they cannot at present find the means of providing for its construction from Imperial Funds, but should any balances of unexpended Income Tax Funds be available they will be given for the work.
