Proceedings of the Madras Government, Public Works Department.
25th April 1866.

No. 385. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Palamcottah, 7th April 1866, No. 2,575:—

1. The Controller has written to me to pay to the Collector's Department, the amounts of four abstracts:—

					RS.	A.	P.
Abstract of Bills in adjust of advances made in September 1864	...				1,268	15	6
Do. do. do. in October	„	...			266	15	3
Do. do. do. in March 1865	...				400	11	0
Do. do. do. in April	„	...			500	6	0
					2,496	15	9

for expenditure incurred by that Department, on account of compensation for lands taken up for public purposes in the Tinnevelly District, during the year 1864-65, if I have sufficient funds at my disposal, or to obtain the sanction of Government to meet this demand, from the savings which will accrue at the end of the current year.

2. The Collector did not apply to this Department for funds in the year 1864-65, and in answer to G. O.* of 21st

* No. 2,799.
† Endorsement No. 1,444.

September 1865, a letter from the Collector was submitted,† on the 27th October

1865, showing that he had disbursed the sum of Rupees 2,496-15-9, although the disbursement was not made from the grant of Rupees 3,000 authorized in G. O. No. 392 of the 10th February 1865, from the funds of the year 1864-65.

3. I have no funds available to meet this demand, and although it is possible that Range Officers may fail to expend their allotments, to the amount required, I cannot ascertain that such is the case, till the month's accounts are closed. Assuming then that savings of this year's funds may be legitimately devoted to clearing off these advances, I have the honor to suggest, that the sum required, Rupees 2,496-15-9, may be transferred from any Division, in which funds are given up, and that at this late date, the Accountant General may be authorized to give credit to that amount direct to the Collector of Tinnevelly.

No. 386. ORDER THEREON, 25th April 1866, No. 1,213.

ACCOUNT, No. 47.

1. As the Government have appropriated all such funds as have been surrendered by the Superintending Engineers, it will rest with Captain Prendergast to make the best possible arrangements for the re-imbursement of the sum of Rupees 2,496-15-9 to the Collector of Tinnevelly, reporting his proceedings for information.

2. The Government cannot, however, refrain from noticing with dissatisfaction that the grant of Rupees 3,000, which was specially provided in G. O. of the 10th February 1865, to meet the charge for compensation on account of lands taken up for public works in the Tinnevelly District should have been allowed to lapse,
