*Proceedings of the Madras Government, Revenue Department,  
30th April 1866.*

No. 486. Read the following Proceedings of the Board of Revenue, dated 17th March 1866, No. 1,896 :—

Read the following letter from the Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated 26th February 1866, No. 46.

1. In reply to the Proceedings of the Board of Revenue, No. 517, dated 22nd January 1866, calling upon me to report, for the information of Government, what would be the amount of compensation that should be paid, once for all, in lieu of the exchange in land as proposed in the statement which accompanied my predecessor's letter of the 11th December 1865, No. 271, I do myself the honor to state, that the Ináms in question are comprised under "Service," and have been declared by the Inám Commissioner as free from quit-rént as long as the prescribed service is duly performed. They are, therefore, not saleable, and no similar service Ináms have hitherto been sold either to the public, or to Government. There is nothing, therefore, to shew their market value in money, but theoretically they may be said to be worth twice the value paid for similar lands paying revenue to Government, as the former are exempt from any Government demand. A Statement prepared on this principle, shewing the amount payable for the two Ináms in question, is herewith submitted.

2. By the arrangement proposed by my predecessor, which is in accordance with the several previous orders of Government, the State are gainers, inasmuch as it pays no sum whatever in money for the Inám or Mailwaram, and in some cases, that is, where waste is procurable, even for the Kudiwaram. The Government thus only foregoes a small sum in the shape of assessment; whereas, by purchasing these Ináms outright, double the present enhanced price of land will have to be paid to Inámdars from the Government treasury. The former course, moreover, is in accordance with the wishes of the people.

Statement shewing the extent, &c., of the Inám lands in the villages of Devadanum and Vathiem, made over to the Great Southern of India Railway Company, and the proposal to give in its lieu lands of equal value, amount of compensation that should be paid once for all.
