*Proceedings of the Madras Government, Revenue Department,
1st May 1866.*

No. 11. Read the following Proceedings of the Board of Revenue, dated 23rd April 1866:—

Read the following letter from the Sub-Collector of the Kistna District, to the Secretary to the Board of Revenue, dated —

1. Having been given to understand that, inasmuch as Sub-Collectors have no Treasury to formally give over, no objection would lie to my, with the permission of the Collector of my District, leaving the District for the Easter holidays, and without returning to it, taking preparatory leave on the conclusion of the holidays, I left the Bellary District for the Easter holidays with Mr. Hathaway's permission, and reported to the Collector of the District that I had availed myself of my preparatory leave on the 4th April.

2. The Acting Examiner of Claims, however, to-day informed me, that I ought to have returned to my District at the end of the holidays prior to taking my preparatory leave, and that in consequence of my not having done so, he could not, without the sanction of Government, pass my pay in full from the 29th March to 3rd April inclusive, and that my preparatory leave would date from the 29th March.

3. I am not aware that there is any rule rendering it necessary to return to one's District after the occasional general holidays, before taking preparatory leave, and am under the impression that it is only after privilege leave that it is obligatory to return to the District before availing oneself of any other leave; I have, therefore, the honor to request that you will be good enough to forward, with favorable recommendation, my request that the sanction of Government may be granted for my pay being passed in full from the 29th March to 3rd April, inclusive; and that my preparatory leave may be considered to have commenced from the 4th of April.

4. As the steamer on which I proceed to England will probably not be here before the 27th instant, I have also the honor to request that an extension of leave under Section——may be granted to me from the 24th, on which date my preparatory leave expires, to the date on which the steamer sails.

Ordered to be submitted for the favorable consideration of Government, with the Board's recommendation that the payment of Mr. Reid's full pay for the Easter holidays be sanctioned, and that his preparatory leave from 4th to 25th instant be extended to the date of sailing of the next P. and O. Company's steamer.

Referred to the Examiner of Claims for his report.

Secretary to Government.
