*Proceedings of the Madras Government, Revenue Department,
2nd May 1866.*

No. 21. Read the following letter from the Acting Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chempak, 24th April 1866, No. 717-28 :—

1. With reference to G. O. of 17th February 1866, No. 425, directing that the waste land within the hill stations should be mapped in a large scale, and such land as is not required for building purposes should be carefully laid out in roads and streets, I have the honor to state, as it will be almost impossible to work satisfactorily in Ootacamund during the months of June and July, I purpose commencing operations at Coonoor.

2. No special sanction existing for a separate party on the Hills, I shall detach a few men from No. 1 Party.

3. Lieutenant Freeth, who is now engaged in superintending the survey of Coffee Estates in Coorg, will be available for duty on the Hills during the south-west monsoon, I purpose, with the permission of Government, transferring him to the Hills.

4. Funds will be needed in order to pay for the cost of the permanent demarcation of the boundaries of the stations, and of the Government waste lands included within these stations.

5. I have the honor, therefore, to request that I may be granted a floating advance of Rupees 1,000, similar to the advances sanctioned for demarcation purposes in Madras and Ganjam.

See G. O. 6th January 1866, No. 36.
