*Proceedings of the Madras Government, Revenue Department,
2nd May 1866.*

Read the following papers:—

No. 33. Proceedings of the Board of Revenue, dated 12th March 1866,
No. 1,676.

Read again Proceedings of the Board of Revenue, dated 12th January 1866,
No. 273.

Read also the following letter from the Collector of Nellore, to the Secretary to the
Board of Revenue, dated Viruru, Atmakuru Talook, 14th February 1866,
No. 32.

1. With reference to the Proceedings of the Board, No. 273, dated 12th
ultimo, I have the honor to forward, as requested, a sketch, shewing the plot of
land proposed to be included in the Cutcherry compound, and state that the inclu-
sion of the land is necessary with reference to the present Treasury. The charge
could be met with the Board's sanction as a contingent charge under Land Revenue.

2. The old Treasury was at the back of the Cutcherry. The new Treasury*
is so placed that the bit of land I have
bought is only twenty-six yards from it,
and the straightening of the wall which
is about to be re-built is, therefore, advisable.

* Board's Order of the 15th December 1861,
No. 6,962.

ENCLOSURE No. 1.—Plan.

1. The sanction of Government will be requested to the petty charge of
Rupees 30, with reference to the Government Order, dated 10th December 1861,
No. 2,265, Public Works Department.

2. The Board do not see that the urgency of the case precluded the Collector
from applying for previous sanction before concluding the purchase of the land.

3. The charge seems debitable to the Public Works Department under
Revenue Buildings.

No. 34. Official Memorandum from the Secretary to the Board of Revenue, to
the Secretary to Government, Revenue Department, Fort Saint George,
dated Madras, 24th March 1866, No. 311.

With reference to Official Memorandum from the Under Secretary to Govern-
ment, Revenue Department, dated 21st March 1866, No. 33, the undersigned has
the honor to state that the entry of Rupees 30, as the price of the piece of land near
the Cutcherry at Nellore in the Board's Proceedings of 12th March 1866, No. 1,676,
is a misprint, and that the correct amount is Rupees 36, as stated in the Collector's
letter, recorded in Board's Proceedings 12th January 1866, No. 273.

By Order,

(Signed) W. HUDLESTON, *Secretary.*

PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th January 1866.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 27th December 1865, No. 334:—

I have the honor to state, that eighteen Ankunams of land, belonging to one Hashan Sahib, adjoins the western wall of my Cutcherry compound*; and as it is desirable that the land in question should be included in the compound, I have, upon my own responsibility, ordered Rupees 36 being paid to the owner from the Imperial Fund in anticipation of the Board's approval, for which I have now the honor to apply.

The Collector will submit a sketch of his office compound showing the plot of land referred to, and will explain how the necessity for including it has only now arisen, and to what head he proposes to debit the charge.
