Proceedings of the Madras Government, Revenue Department,
3rd May 1866.

No. 56. Read the following Proceedings of the Board of Revenue, dated 24th April 1866 :—

Read the following letter from the Officiating Collector of Tanjore, to the Secretary to the Board of Revenue, dated Combaconum Talook, 18th April 1866, No. 82.

1. I have the honor to report, for the information of the Board, that with the exception of a slight shower which fell in some few places on the 3rd instant, there has been no rain during the first fortnight of this month, and that men and cattle suffer much from want of water and the severity of the heat consequent upon the long drought, more especially in the Kadarambham, or the dry parts of the District.

2. Cholera, fever, and small-pox prevail here and there, but not to any great extent or with great virulence.

3. Prices of paddy grain have slightly fallen, and may fall a little lower at the end of this month, when the heaviest of the Land Revenue kists will be due.

Submitted for the information of Government.

No. 57. ORDER THEREON, 3rd May 1866, No. 1,049.
