No. 81. Read the following letter from the Officiating Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Waltair, 23rd November 1865, No. 1,808:—

1 Sketch map.
1 Book of Survey,
2 Sheets of Plans,
1 Detailed estimate,
1 Abstract do.
1 Appendix.
1 Specification.
} Forwarded this day by Banghy.

1. I have the honor to submit, for the sanction of Government, the plans and estimate for the road to Parvatipur, referred to in Orders of Government Nos. 1,253 and 3,039 of 18th May 1863, and 22nd October 1864, respectively.

2. This estimate for forty miles of road, including all masonry works, with the exception of the four largest bridges, for which it is proposed to estimate separately, amounts to Rupees 1,23,550.

3. The first eleven miles of road, viz., from Vizianagaram to Gajapattinagarum, have already been constructed, and the sketch map shows the course that the road will take from the latter place to Rambuddrapuram with proposed branch to Salúr, and thence to Parvatipur, *viâ* Bobbily and Seetanagram. The line thus passes through, or would be in connection with, all the principal villages on the route.

4. The plans and estimate have been approved of by the Collector of Vizagapatam.

No. 82. ORDER THEREON, 5th January 1866, No. 39.

CIVIL WORKS, No. 16.

The estimate submitted with the foregoing letter, for the completion of the road between Vizianagaram and Parvatipur, is approved. It will not, however, be possible to make any allotment for this work in the Budget of 1866-67; and unless the Zemindars through whose properties the line is carried are prepared to contribute funds towards the construction of the road, in fulfilment of the promise made by them to Mr. Fane, it must lie over for the present. The Governor's Agent will be requested to ascertain this, and to state whether any funds are available for immediate outlay upon the road in question.
