Proceedings of the Madras Government, Revenue Department, 3rd May 1866.

No. 58. Read the following letter from the Officiating Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 24th April 1866, No. 527-20:—

I have the honor to state that the Deputy Director in the Kurnool District represents that, owing to the high price of chunam and the large number of pillars required to be built in consequence of the numerous bends in the village boundaries, the floating advance of Rupees 2,500, for the construction of boundary pillars, sanctioned in the Order of Government, dated 5th April 1864, No. 572, is found to be insufficient for the purpose; and before the bills for the expenditure incurred can receive the sanction of the Board, the work, which is in progress in several Talooks, is impeded for want of funds. The expenditure in the Pattikonda Talook alone is estimated at more than the amount of the advance. I, therefore, request the authority of Government to increase the floating advance for boundary pillars to the Kurnool Party by Rupees 2,000, as a temporary measure.

No. 59. ORDER THEREON, 3rd May 1866, No. 1,050.

Land Revenue.

Under the circumstances represented, the Government sanction the increase of the floating advance made to the Kurnool Settlement Party by Rupees 2,000.
